

Activity Code	Activity Name	Description
910002	Natural Gas and Oil Well Repair and Maintenance	Repair and maintenance operations for oil and natural gas wells using various techniques and protecting them from corrosion or interaction with surrounding natural materials or to extend the life of their use, maintenance or re-drilling
4322008	Electromechanical Equipment Installation & Maintenance	Installation and testing of mechanical and electromechanical equipment and machinery ,such as workshop and factory equipment power generation machines, loading, lifting ,and traction equipment, cool rooms refrigeration equipment, automatic laundromat equipment and other
1010102	Meat Products Manufacturing	Manufacture of food products extracted or made from meat such as sausages, canned minced meat, minced steaks (hamburgers) and others such as salami, pudding, "andweit", marinated sausages, bologna meat, meat cakes, etc. This does not include starch
1010902	Poultry Products Manufacturing	Manufacture food products extracted or made from poultry meat, such as minced poultry meat, slices, sausages, shredded meat or processed parts, including processing, marinating and packaging them in packages or cans so that they are suitable for consumption
1061003	Cereal Food Manufacturing	Prepare grains and grains and manufacture them for the production of dry food materials, such as the production of mash, grain, semolina, cornflakes, quaker and others.
1020001	Fish and Seafood Canning	Canning fish and its products such as fish, snails, etc., in sealed containers
1020001	Fish and Seafood Preparing	Processing of fish and seafood suitable for human consumption, packaging them in specific packages or bags and freezing them in condition suitable for consumption. This activity does not include the production of oils ,and fats from marine materials
1061005	Rice Husking and Polishing	Peeling, bleaching and polishing rice
1080003	Animal Feed Manufacturing	Produce food intended for animals or birds ,raised inside homes, including canned ,preserved and dried foods such as grains seeds, fruits and meat of all kinds, as well as health foods provided to them such as vitamins and tonics
1030001	Fruits Canning and Packaging	Fruit canning and packaging

1071001	Bread Manufacturing	Includes the manufacture of fresh, frozen, or ,dry bakery products, such as bread, rolls pastry, cakes, pies, tarts, rusks, snack products, biscuits, crackers, and pretzels
1030002	Vegetables Canning and Packaging	Vegetable canning and packaging
1071002	Sweets and Pies Manufacturing	Manufacture pies and sweets
1071005	Biscuits Manufacturing	Manufacture biscuits
1030003	Tomato Paste Manufacturing	Manufacture tomato past
1030008	Freezing fruits and vegetables	Freeze fruits and vegetables
1030006	Potato Chips Manufacturing	Freeze fruits and vegetables
1030005	Dry Fruit and Vegetable Packaging	Drying and packing of fruits and vegetables
1061010	Cheese Balls Manufacturing	Puffed and crispy corn covered with cheese or cheese flavored
1072001	Crude Sugar Refining	Crude Sugar Refining
1030012	Jam Manufacturing	Prepare jam from fresh, seasonal perishable fruits as a means of preserving and storing them
1072002	Manufacturing of Sugar Cubes	Manufacturing of Sugar Cubes
1030013	Pickles Manufacturing	Producing pickles of fruits, fruits, vegetables and other agricultural crops and packing them in commercial packages so that they are ready for marketing to the consumer directly, or packing them in economic packages for marketing to commercial and industrial institutions
1072003	Sugar Packaging	Refill refined sugar in consumer packages so that it is ready for final use, whether in its ,normal state, in the form of cubes or powder without introducing any processing or other .processes on it before filling it
1040101	Vegetable Oil Production and Refining	Produce vegetable oils from their raw ,materials of grains and seeds such as corn oil sunflower oil, soybean oil and others, or from vegetables such as garlic, lettuce, watercress and others, which are extracted from them in a way of juicing, and this activity includes refining
1073901	Manufacture of Sweets	Manufacture of Sweets
1040201	Animal Oil and Fat Manufacturing	Manufacture of crude and refined oils and fats from animal materials and other edible animal fats
1073102	Confectionery from cocoa and chocolate	Manufacture sweets that include cocoa and chocolate, including coating nuts, biscuits or fruits with chocolate or cocoa, and this activity also includes the production of sweets .filled with cocoa or chocolate

1040102	Vegetable Ghee Manufacturing	,Hydrogenate (freeze) vegetable oils and fats produce vegetable margarine, and produce industrial butter
1079002	Salt Refining	Refine table salt
1920014	Grease and Lubricants Packaging	Fill in greases and lubricants
1079003	Ice Manufacturing	Producing on blocks, and tubular types to use in food storage and processing, chemical manufacturing, concrete mixing
1050001	Milk Packing	,Manufacture fresh, pasteurized, sterilized homogeneous, and / or high-temperature liquid milk, such as milk and yogurt for milk prepared with fruit flavors, etc., from fresh milk
1079004	Tea Blending and Packaging	Blending different types of tea to produce specially flavored brands and then pack for final consumption
8292003	Re-packaging and Wrapping Services	Re-packaging of goods and goods that are in the form of bulk containers manufactured in other places by packing them in consumer or commercial packages in preparation for selling them to the final consumer or preparing them for export
1079006	Herbs Packaging	Pack herbal plants used to prepare drinks and flavors or as foodstuffs such as thyme, star anise, hibiscus, dried lemon, saffron, etc. in commercial packages
1050002	Butter Manufacturing	Manufacturing butter by pasteurizing and churning cream of fresh and fermented milk.
1079007	Nuts Roasting and Packaging	Roast nuts such as peanuts, pistachios, cashews, almonds, etc., salting them, and packing them in sealed packages or bags
1050003	Cheese Manufacturing	Manufacturing cheese from high quality fresh milk, including pasteurizing, purifying and the renneting.
1079008	Salt Packaging	Fill in salt
1050004	Yogurt Manufacturing	Manufacturing yogurt by produced by bacterial fermentation of milk then sugar and fruits and other materials are added.
1079009	Spices Packaging	Re-pack dried or powdered spices and spices, whether in their original condition or mixed in bags or consumer packages that are sealed so that they are suitable for final use
1050005	Cream of Milk Manufacturing	Manufacture cream
1079010	Rose Water Bottling	Fill rose water
1050006	Ice Cream Manufacturing	Manufacturing ice cream and iced cakes and sweets, which use ice cream in processing.

1079022	Soup Manufacturing	Manufacture soup (soup) from meat or vegetables and packed in metal or plastic containers for immediate use. It also includes making soup powder prepared for cooking, as well as making soup flavorings and creams used in its manufacture, cooking and preparation.
1061001	Grinding Grains and Crops	Facilities that mill grains and cereals
1079011	Baby Food Manufacturing	Manufacture infant food such as liquid or powdered milk, drinks, juices, types of biscuits, fruit paste and other foods.
1061002	Flour Blending and Preparing	Mix wheat flour and prepare it to produce different types and varieties of products for use in food production or food preparation
1079012	Flavors and Fragrances Manufacturing (Food Additions)	Manufacture materials, flavorings, flavorings, and fruit extracts that are used in the manufacture of food products. It also includes the manufacture of synthetic concentrates and aroma supplements that are used in the manufacture of aromatic materials and detergents.
1079017	Vinegar Manufacturing and Bottling	Produce vinegar of all kinds from salt, fruits or other chemical compounds, and this activity includes the production and repackaging of vinegar.
1030010	Fruit Flavored Drinks Manufacturing	Produce dried mixes for the preparation of juices and ice cream made from natural ingredients and materials that are included in their composition and which are mixed and packaged according to the demand of consumers or producers of juices and ice cream, their shops, restaurants, etc.
1079014	Egg Products Manufacturing (Liquid Pasteurized)	Produce, process, prepare and package egg liquid in economical sizes for use by consumers such as restaurants, hotels and ready-to-eat food preparation companies.
1104201	Mineral Water Bottling	Bottling natural spring water and mineral water in consumer containers, including water purification, filtering, sterilization and bottling, so that these operations are carried out on site at the places of springs and wells ,from which water is extracted
1104203	Carbonated Water Manufacturing	Adding carbon gas to mineral water and then bottling it in sealed bottles or containers.

1104204	Soft Drinks Manufacturing	Manufacture soft drinks and soft drinks flavored with spirits or fruit extracts of flavored and sweetened, such as sweetened lemonade, sweetened orange, cola, tonic water, and this activity does not include the production of fruit and vegetable juice,
1104902	Fruit Juice Powdered Manufacturing	Manufacturing fruit drinks
1410111	Protective Garments and Vest Manufacturing	,Various clothing such as jackets, coats, gloves pants and others that are used to prevent some external damage, such as jackets used against the penetration of bullets, clothes used against radiation, heat, moisture penetration, rain protection, or otherwise
144002	Production of raw wool	Production of raw wool resulting from sheep breeding without any industrial intervention on it
1410112	Sports Wears Manufacturing	Sports Wears Manufacturing
1313001	Textile Dyeing and Processing	Prepare fabrics and textiles before knitting them, such as cracking, crumbling, waxing clothes against water, lining them, treating them with rubber, or impregnating them
1410113	Formal Wears Manufacturing	Formal Wears Manufacturing
1311002	Sewing Yarns Manufacturing	Manufacture sewing threads and prepare them for use in the purposes of making ready made garments from natural raw materials such as silk, wool or other fibers, and this activity does not include the manufacture of textile fabrics impregnated, lined, covered or fitted with rubber, if rubber is the main ingredient
1410114	Jackets and Overcoats Manufacturing	Jackets and Overcoats Manufacturing
1311005	Lace and Crochet Manufacturing	Manufacture the operations of knitting ribbons and weaving them from threads and natural or synthetic fibers, as well as the manufacture of other similar knitted such as trimmings, laces, braids, hoops and knitted belts, as well as ready-made clothing industry supplies such as cards, tags, woven drawings and others
1410115	Gloves Manufacturing	Manufacture of gloves made of fabrics such as cotton, wool or synthetic fibers, as well as gloves made of leather or rubber and this ,does not include the repair of clothing

1392001	Tent, Awnings and Tarpaulin Manufacturing	Making tents and awnings to use as shade from the sun in or protecting from rain in shops and buildings, also, covers and tarpaulin used to cover goods stored in open air or transported in vehicles.
1392002	Bed Sheets and Household Linen Manufacturing	Manufacture bedspreads that are made by cutting and detailing, such as bed linen, blankets, linens and curtains, as well as making tablecloths, small tables, etc. This does not include making garments from knitwear and crochet
1410108	Garments Manufacturing	Manufacture ready-made garments from natural raw materials such as: cotton, wool and silk, whether they are knitted or woven. It also includes any type of textiles for which separate activities have not been designated for use in the garment industry. This activity does not include the manufacture of impregnated or lined textile fabrics. covered .or fitted with rubber
1410116	Socks Manufacturing	Manufacturing men, ladies and sport socks from wool, cotton, nylon and polyester to use in protecting the foot and absorb sweat.
1511001	Leather Tanning and Dressing	Tanning, dyeing, preparing and polishing of leather and leather to be ready for manufacture to other products
1392004	Towels Manufacturing	Manufacturing the absorbent textile towels are made from cotton, rayon and are used for driving or wiping
1512001	Suitcases Manufacturing	Manufacture travel bags from natural leather and its alternatives, as well as the manufacture of bags that are composed of parts of leather in addition to bags that are made entirely of other alternative materials ,such as plastic, aluminum or textile
1392005	Auto Upholstery manufacturing	The manufacture of all types of carpets used in cars, such as cutting floors, car seat sets, or dressing other parts of the car, such as the steering wheel or movement arm, and so on, whether from cloth, leather, plastic, or other natural or synthetic fibers ...
1512002	Hand Bags, Wallets, and Belts Manufacturing	The manufacture of handbags, wallets, belts made of leather and its alternatives from plastic and cloth.
1392007	Fabric Textile Embroidering	Manufacture knitting and crocheting cotton, silk and wool fabrics with colored or golden stripes to use in producing household linens and women dress.

1520001	Footwear Manufacturing	manufacturing men and women footwear for ,different purposes and of any material involving whole or parts of the footwear whether by the traditional manual process or mechanical
1392009	Flags Manufacturing	Manufacture of formal and informal flags and banners with different sizes for different purposes by means of cutting and weaving or by color printing or others. It also includes the manufacture of logos and badges as well as ceremonial banners which are hung at celebrations and similar occasions. This also includes the manufacture of flags woven from natural or artificial fibers or from plastic and the like.
1520002	Sandals Manufacturing	Sandals Manufacturing
1392008	Pillow and Cushions Manufacturing	Manufacturing pillows and cushions for bedrooms and sitting rooms.
1610008	Cutting and Sawmilling of Wood	Cutting and Sawmilling of Wood
1393001	Carpets Manufacturing	,Manufacture of carpets of various fibers which means floor carpets (rugs) as well as decorative pieces, and this does not include the manufacture of handmade carpets Manufacture of mats and leg mops from braided materials
1610001	Wood Boards Manufacturing	Manufacture of plywood panels and wood panels from plywood chips (plywood) or from particleboard made from crumbled and compressed wood waste, wood pulp (MDF) or other types of wood panels
1393002	Mats and Rugs Manufacturing	Manufacture of mats and rugs of different types of fibers or yarn, as well as pedals and walkers of jute or carpet scraps
1623005	Wooden Podiums Manufacturing	Manufacture pallets, pallets and other loading pallets made of wood for various purposes and includes the manufacture of pieces and wooden panels that are used as a ground base to carry equipment or transported goods, containers, etc. of different sizes and uses in factories or in storage and shipping holds
1394002	Nets Manufacturing	Nets Manufacturing
1622001	Wooden Doors and Windows Manufacturing	Wooden Doors and Windows

1394001	Ropes Manufacturing	Manufacture various types of ropes and similar various fiber raw materials such as cotton, jute, linen, paper, plastic, hemp and other fibers, including glass fibers, including fiberglass, and includes the processes of twisting, dyeing and packaging fibers
1622004	Industry buildings and prefabricated wooden parts.	Manufacture of prefabricated buildings made wholly or parts thereof from wood, provided that they are manufactured using the method of preparation and installation on the site in stages or installed entirely at once. This activity does not include establishments specialized in the manufacture of buildings made of concrete or steel. This does not include the manufacture of furniture
1313003	Silk Printing (Silkscreen)	Silk-screen printing on textiles and wearing apparel by transferring a multicolored image or design image from a screen to textile articles through lithographic, gravure, screen or flexographic printing.
1622005	Internal Design Woodworks Manufacturing	The manufacture of wooden products necessary for interior design (decoration) ,works such as wooden barriers (mashrabiya) ,wooden partitions, stair barriers, balconies wooden soles, wooden arches and other similar wooden products except furniture and .fixtures of all kinds
1623003	Wooden Boxes Manufacturing	Wooden Boxes Manufacturing
1410101	Mens Underwear Manufacturing	Manufacture of woven, knitted or crocheted ,fabric to be worn under other clothes whether over the waist like T-shirts or below the waist like pants
1629104	FronDs, Hay, and Bamboo Products Manufacturing	FronDs, Hay, and Bamboo Products Manufacturing
1410102	Mens Garments Manufacturing	Manufacture men's outerwear made of cotton, wool, silk or other fibers and knitted by the method of knitting (knots) or by the method of weaving (seam), and this includes ,the manufacture of shirts of all kinds pajamas, home, beachwear, bathroom, pants ,(pants), shorts, ready-made men's suits ,neckties, etc.
1701002	Paper and Carton Manufacturing	,Manufacture of journal, writing, drawing ,typing, and wrapping paper, made of wood .paper residues or fibers pulp
1410104	Children Wears Manufacturing	,Manufacturing children's swaddling clothes ,nappies, night wear, party clothes, shirts ,trousers and others

1702002	Carton Boxes and Containers Manufacturing	Manufacture of different sizes and types of boxes and containers made of corrugated or non-corrugated carton, used for wrapping and packaging different products in commercial packs in order to facilitate their transportation, shipping and storing
1410105	Children Underwear Manufacturing	Manufacturing children underwear's made of woven, knitted or crocheted fabric
1702003	Paper Boxes and Packages Manufacturing	Manufacture and printing of boxes and packing bags made carton paper, water proofing plastic or wax coated paper, or paper lined with tin, aluminum or other materials which are used for packing of various industrial products
1410106	Ladies Garments Manufacturing	Manufacture shirts, women's pants, party ,and evening dresses, pregnant clothes ,wedding dresses, weddings, sleepwear, home .beachwear, bathroom, scarves, and others
1709019	Manufacture of Packaging and wrapping materials	Manufacture of all materials used in the packaging and packaging of industrial products, such as packages, plain and waxed paper envelopes, nylon foils and printed plastic foils, as well as metal packaging materials
1410107	Ladies Underwear Manufacturing	Manufacturing women undergarments made of woven, knitted or crocheted fabric to be worn under other clothes, whether over or below the waist
1702004	Paper Bags Manufacturing	Paper Bags Manufacturing
1410117	Caps and Headwear Manufacturing	Manufacture of different types of headwear for men and boys such as the Shemagh (ghuttar), caps, hoods, women's head and face coverings such as hijab, niqab, etc., and also includes the manufacture of hats in various forms made of textiles
1702005	Files and Box Files Manufacturing	Manufacture of means of preserving papers such as files, files, boxes for keeping documents and official documents made of paper or cardboard, as well as printing and manufacturing paper portfolios
1410109	Ladies Arabic Gowns Manufacturing	The tailoring, sewing, embroidering and stitching of ladies' gowns, such as long Arab traditional dresses Jellabiya and shawls. This also includes cutting, sewing and embroidering of ladies' head and face veils and covers

1811006	Cards and Envelops Printing	Printing business cards, invitation cards to official events and celebrations, season's greeting cards and weddings congratulations cards. This also includes printing the envelopes
1709008	Tissues and Napkins Manufacturing	Establishments or factories that manufacture napkins and paper towels of all kinds, such as facial tissues, kitchen towels, dining tissues and toilet paper
1709009	Diapers Manufacturing	Diapers Manufacturing
1709010	Sanitary Napkins Manufacturing	Sanitary Napkins Manufacturing
1709013	Adhesive Cards Manufacturing	Manufacture labels, brands and adhesive brands, including re-cutting, printing and processing
1709014	Paper Stationery Manufacturing	Manufacture products that are used for ,office purposes, such as papers and papers which includes other paper products that are used for office purposes, such as papers and papers in computers used in duplicating machines, and scrolls in calculators and other .securities
5811001	Book Publication	Publishing books as well as literature and scientific references, school books, atlases, geographical maps, presentational brochures and other publications mentioned in details in this division, whether the process involves printing or not, or whether the firm owns its own printing press which can carry out the publishing, or the activity of such a firm is limited to the provision of publishing facilities and the conclusion of contractual agreements with printing houses to do so and with bookshops to distribute and market such publications.
5813001	Newspapers Publication	Publishing newspapers, magazines and periodicals, whether the process involves printing or not, or whether the firm owns its own printing press to carry out the publishing, or the role of such a firm is limited to facilitate the publishing and arranging with the printers and distributors.
2011010	Composed Industrial Chemicals Manufacturing	,Manufacture of chemicals of compounds salts and various materials, which are in the ,form of powders, crystals, solutions or others which are directly used in the processes of conducting tests, analysis and chemical experiments, or in water purification and ,sterilization, or in the production of gases fertilizers or other industrial products other .than synthetic resins

2029005	Synthetic Resins Manufacturing	Manufacturing synthetic resins to use in producing chemical products such as paints, dyes, perfumes, detergents, adhesives, ink, and other resins based chemical products.
1811001	Commercial Publications Printing	The printing commercial advertising posters, accounting books, invoices, correspondence pads, official document forms, such as passports, paper money, Travel cheques, receipt and cheque pads, as well as the printing of catalogues, calendars, brochures and others.
1920016	Chlorinated Paraffin Oil Manufacturing	Chlorinated Paraffin Oil Manufacturing
2012007	Chemical Fertilizers Manufacturing	Chemical Fertilizers Manufacturing
1811004	Books Printing	Conducting books printing as well as handling the related technical related services such as designing, color separation, binding.
2012001	Organic Fertilizers Manufacturing	Organic Fertilizers Manufacturing
2220044	Plastic Cubes Manufacturing	Plastic Cubes Manufacturing
2013002	Crude Fiber Glass Manufacturing	Producing fiber glass from source materials and forming in panels, grids, or textures and complementary chemicals useable in manufacturing fiber glass products for constructions.
2021001	House Pesticides Manufacturing	House Pesticides Manufacturing
2021002	Agricultural Pests Pesticides Manufacturing	Manufacture of materials whose purpose is to prevent, eliminate or control agricultural pests, including disease vectors of plant or animal species. Pests mean every animal, plant or micro-organism harmful or destructive, such as insects, spiders, nematodes, bacteria, etc.
1812001	Bookbinding	Bookbinding
2022001	Paint Manufacturing	,Manufacturing dyes and paints for buildings constructions and decor, as well as for autos and metals, also, anti-corrosion and anti erosion powdered paints for coating metals by anodizing. other materials used in treating and processing dyes and paints such as thinners, thickeners, basic dyes and others
2023018	Cleaning and Polishing Materials Manufacturing	Manufacture of all kinds of cleaning and polishing materials

1812003	Colour Separation Services	Providing color analysis and sorting services for photographs, drawings and other similar materials for printing purposes, as well as preparing chips, determining the proportions and degrees of colors used, as well as any other services associated with them
2022002	Anti Corrosion Materials Manufacturing	-Manufacturing metals and wood anti corrosion and anti-erosion, as well as constructions and equipment anti-thermal element
1920001	Fuel Manufacturing	Producing refined petroleum by extracting ,from crude oil in refineries, including gasoline diesel, naphtha, kerosene, fuel oil, it involves also producing biofuel vegetable oils or .animal fats or agricultural products
2022003	Insulation Materials Manufacturing	Manufacture of insulating materials and supplies that are used in insulation from ,moisture or water leakage and from heat whether natural such as the heat of the sun or generated by engines, as well as insulating materials from sound and noise and from ,vibrations and radiation effects and others and includes these materials used in buildings or machinery and equipment such as . furnaces, vehicles
2029007	Adhesive Materials Manufacturing	Manufacturing adhesive materials for sticking paper, glass, metal, plastic or wood pieces, to use in printing, lamination, packaging, in construction for fixing ceramic, slabs and maquette, or wall-paper...etc, also producing adhesive tapes in paper, plastic, fabrics.
2022007	Manufacture of printing ink	Manufacturing printing inks either being in powder, paste or as liquid, in addition to inject cartridges used in fax machines, photo .copiers and computer printers
2100101	Medicine Manufacturing	The pharmaceutical industry, which invent new medicines and sell them in the market .and have the right to invent and invent them tablet preparation or other operations, filling or refilling
1920003	Natural Gas Bottling	Facilities to fill in petroleum gas
2100102	Vaccines and Inoculants Manufacturing	Vaccines and Inoculants Manufacturing
1920005	Asphalt and Paving Materials	Asphalt and Paving Materials
2100105	Medicinal Chemicals Manufacturing	Medicinal Chemicals Manufacturing
1920006	Lubricants Manufacturing	Lubricants Manufacturing
2100106	Veterinary Medicine Manufacturing	Veterinary Medicine Manufacturing

2011017	Basic Organic Chemical Acids Manufacturing	Manufacture the most common organic acids in single or multiple carboxy acids, including acetic acid (vinegar acid), its acidic varieties with the carboxyl group COOH. Its acidic acids contain SO ₂ OH.
2100107	Medical and Surgical Requisites Manufacturing	Manufacture of medical supplies, pharmaceutical materials, chemical and plant pharmaceutical products, and surgical instruments and devices of all kinds that are used in operations
2023001	Soap Manufacturing	Manufacture of soap used for bathing or for washing hands, and its dry and liquid types, in addition to the manufacture of bath foam
2023006	Detergents & Disinfectants Manufacturing	Manufacturing disinfectants that are used for the purposes of sterilizing floors, bathrooms and clothes
2011005	Gas Liquefaction and Bottling Manufacturing	The conversion of gases like oxygen, carbon dioxide and nitrogen into liquid state for using industrial and medical fields
2023008	Perfumes Manufacturing	Manufacturing different types of concentrated or light perfumes (toilet water) whether from synthetic or natural fragrant compounds. Also included are after shaves, shaving creams, body lotions, deodorants clothes and floor cover fragrances. The perfumes concerned could be in liquid, solid or powder forms
2011006	Dry Ice Manufacturing	Dry Ice Manufacturing from CO ₂
2023007	Industrial Detergents Manufacturing	Manufacture of chemicals used to clean machinery, machinery and equipment such as air conditioners, boilers, elevators, car engines, mechanisms and other machinery and machinery
2013005	Gum and Glue Manufacturing	Extracting gum and glue from raw materials for direct use in such original state, or use in producing various chemical compounds, as substances for adhesive and cosmetics
2023002	Powder Detergents Manufacturing and Packaging	Manufacture soaps and detergents, and cleaning and polishing products
2023011	Deodorants and Bath Salts Manufacturing	Manufacturing Deodorants and Bath Salts Manufacturing
2023003	Bleaching Products Manufacturing	Manufacturing chlorine-based bleaches to use as household chemicals to whiten clothes and remove stains
2023012	Cosmetics Manufacturing	Manufacture of cosmetics used in cosmetics such as types of paints, creams, essential oils and powders that are used for the body, as well as types of eyeliners, colors and powders used in facial beautification (make-up)

2029001	Fire Extinguishing Materials Manufacturing	Fire Extinguishing Materials Manufacturing
2029014	Coolants Manufacturing	Manufacturing coolants which are characterized of having high thermal capacity, low viscosity, chemically inert, and causing no corrosion when mixed with water and flown through or around a device to prevent its overheating
2011008	Manufacture of distilled water	Manufacture of distilled water
2310007	Glass Sheets and Mirror Manufacturing	Manufacturing Glass Sheets and Mirror
2211003	Tyres Rebuilding	Renew used tires for cars and vehicles and re-dress them so that they become usable again, and this section does not include the following Manufacture of tire pipe repair materials
2310008	Stained Glass Forming	Manufacture glass panels in a way that cuts colored glass, collects those pieces with each other and forms them to represent paintings pictures or engineering drawings, fixes glass pieces using lead or any other adhesives, and installs these panels on frames made of wood aluminum profiles, or other metal sections or reinforced plastic, This activity also includes any other industries related to the formation of stained glass, the manufacture of glass wool and non-woven glass wool products
2219001	Manufacture of rubber products	Manufacture of rubber products
2310009	Glass Bottles and Containers Manufacturing	Manufacturing glass bottles and containers used for bottling liquids, chemical products and others
2310011	Reflective and Insulant Glass Production	Reflective and Insulant Glass Production
2219006	Industry, rubber floors and pedals	Manufacture of covers for the sides of swimming pools, roofs of vehicles, boats garden floors and playground tracks, and this activity also includes the manufacture of rubber mats for homes or entrances
2393004	Ceramic Ware Manufacturing	Manufacture of goods and products from china, ceramics and pottery such as utensils and household items, including artifacts and others
2392005	Structural Clay Products Manufacturing	Manufacturing of building and construction clay products, such as bricks, slabs, ceramic, faience tile, clay pipes and tubes and fittings as well as sanitary and bathroom clay requisites
2220002	Plastic utensils Manufacturing	Industrial facilities that manufacture containers and household utensils used for preparing or preserving foods, except for utensils and tools used for cleaning

2220006	Plastic Sheets Manufacturing	Manufacturing plastic sheets for various industries and applications using the techniques of extrusion , molding, casting, depending on material type and size.
2220025	Industry, bottles and plastic bottles	Industrial facilities specialized in the manufacture of bottles, containers and various plastic drums used in industrial purposes from the packaging of various products such as food, liquids, chemicals and others
2395001	Precast Building Manufacturing	Industrial facilities specialized in the production and manufacture of concrete building parts or the manufacture of entire building pieces and processing them by pre-casting method in the molds, as well as the transportation and installation of these parts at the work site.
2395005	Cement Products manufacturing	Manufacturing cement products such as columns, stair rails, balconies, flower beds, statues, and maquettes by blocks pre-casting, to use in buildings and internal and decorations
2220033	Plastic Building Ware Manufacturing	Manufacture of works and supplies for buildings and construction projects such as ,doors, windows, cladding panels, barriers plastic decorations, grates (mashrabiya), air vent or sewer covers and other similar works made of plastic materials or the like, or of which plastics represent the largest percentage
2396003	Stone Cutting and Grinding Manufacturing	Manufacture of stone cutting, such as making plates from some types of rocks, as well as ,grinding products such as gravel, sandstone and others that are manufactured separately from the places from which stones are .extracted or gravel is collected from
2220035	Plastic Covers Manufacturing	Manufacturing plastic bottles, barrels and containers used for various industrial purposes and for packing foodstuff and filling .liquids, chemical products and others
2220047	Construction Plastic Requirements Manufacturing	Manufacture of sanitary ware fittings, plastic door handles and knobs, hinges, furniture wheels, wooden or metal fittings, shelving fittings and other fittings used in buildings or for industrial purposes made of plastic or similar materials

2220003	Plastic Pipes Manufacturing	Manufacturing all types of plastic pipes, for ,drainage, sewerage, electrical connections agriculture and irrigation, hoses, also related fittings, such as connections, knobs, angles .and other parts and accessories
2394004	Lime Manufacturing	Lime Manufacturing
2395010	Chalk Manufacturing	Chalkboards of all kinds
2310001	Glassware manufacturing	manufacturing household and kitchen glass items used in cooking, serving and preserving food
2395008	Gypsum Products Manufacturing	Manufacture gypsum products such as ,decoration supplies such as decorations stereoscopic drawings, columns, architectural -ornaments, panels used in cladding or as heat ,insulating materials, as well as flower pots .ornamental plants, and others
2310002	Safety Glass Manufacturing	Safety Glass Manufacturing
2310004	Wool Glass Manufacturing	Manufacturing glass wool by the fusion of a mixture of sand and recycled glass, and is produced in rolls or in slabs fire resistant and thermal insulator to use in construction insulation and ducting
2399006	Non Metal False Ceiling Manufacturing	Manufacture of suspended ceilings borrowed and made of non-metallic materials such as -gypsum, reinforced fiberglass, cement reinforced plastic or made of other similar materials
2592008	Pipelines Coating	,Cladding or lining of pipes transporting water petroleum, sewage or other materials and submerged under the surface of the water or ,buried underground with waterproofing moisture, anti-corrosion, rust or other .protective materials
2396001	Artificial Marble Manufacturing	Manufacturing of Artificial Marble
2410901	Steel Bars Manufacturing	Manufacture iron bars used for reinforcing purposes in building and construction work or in other industries for the production of various metal products, and includes bars that are produced by the method of remelting .ingots or waste and iron waste
2420002	Aluminum Smelter and Extraction	Manufacture of pure aluminum metal from ,its raw materials such as bauxite or alumina its smelting and production in the form of blocks, cylinders or alloys so that it can be remanufactured by drawing or rolling method to produce the raw materials necessary for .the manufacture of aluminum products

2420004	Silver Extraction from Chemical Wastes	Extracting silver from photographic films wastes, radiograph films, films processing chemicals or any other chemicals composing silver , then form in pieces or ingots for manufacturing dyes and paints.
2431004	Steel Tubes Manufacturing	Manufacture iron pipes used for construction purposes and laying pipelines for various purposes in the manner of cutting, forming and welding iron plates, as well as manufacturing supplies for their connection and installation
2431001	Casting Products Manufacturing	,Manufacture of castings of iron, steel or cast and this includes the manufacture of various casting products such as sanitary ware and others
2823003	Ingot Manufactur ingingot moulds	Manufacture molds from ferrous and metal alloys by smelting and casting, which are reused in factories and workshops in shaping ,various materials and manufacturing metal .plastic or pottery
2592001	Metal Products Coating	,Metal products coating with paints, powders -polishing and protective materials, or by un precious metals, this can be carried out by using electric, chemical, or conventional .coating methods
2431003	Steel Pipes Fittings Manufacturing	Manufacturing of Steel Pipes Fittings
2592003	Structure Steel Coating and Treatment	Structure Steel Coating and Treatment
2593002	Hand Tools Manufacturing	Manufacturing of hand tools used in ,agriculture, landscaping, construction carpentry, smithery, plumbery and auto ,workshops, among such tools are rasps hammers chisels shovels and others
2432003	Weighing Materials Manufacturing	Manufacturing the traditional different size .apparatus for weighing
2593010	Metal appliances (hardware) for buildings Manufacturing	Manufacturing of metal appliances (hardware) for buildings
3212001	Manufacture of Medals and Legions	Manufacture of medals, badges, decorations, necklaces, commemorative shields, etc. from different metals such as copper, bronze and other metals, using the method of casting in molds

2593009	Locks and Keys Manufacturing	,Manufacture locks, keys and hinges for doors and they are used to seal closures and secure some safes and shops. The locks are easy mechanical equipment and their raw materials vary between iron, zinc alloys and copper of all types. Its use most of the time is attached to another part that is installed in the doors and places to be closed. The interior part is considered the (heart) into which the key is inserted is the main part that can be obtained through various designs for other uses, including computer locks, cash drawer ...locks, refrigerator locks, iron cupboard locks This branch does not include copying keys and .repairing locks
2511002	Structural Metal Parts Manufacturing	Manufacture of metal parts made of steel for building and construction purposes, such as ,metal structures for buildings, bridges tunnels, and metal towers constructed for the purposes of power transmission and .telecommunications
2593005	Cutting and Shearing Tools manufacturing	Cutting and Shearing Tools manufacturing
2511003	Steel Structures Manufacturing	the manufacture of buildings and prefabricated constructions of steel, which are used for various purposes such as factory buildings, warehouses, hangars and other roofed spaces (hangars) and sheds (shabarat)
2593006	Sawing Discs and Cutting Blades Manufacturing	Sawing Discs and Cutting Blades Manufacturing
2511004	Building Metal Products Manufacturing	Manufacture of all types of metal works for buildings and shops such as the manufacture of showcases, barriers and metal fences for stairs, gardens and balconies, as well as the manufacture of decorations, metal interior ,design supplies, gates, upper water tanks window protection nets, covers of sewage drainage complexes, wire and cable complexes, edges of stairs and other similar ,works, whether made of iron, aluminum copper or other metals that are made by casting method or cutting panels and sections and fixing them again according to the shapes .required
2599129	Metal Spoons, Forks, and Tableware	Manufacturing knives and spoons used in cutting and cooking, also stainless steel and gold and silver plated cutlery, or purely precious metal brands

2511009	Sea Platforms and Rigs Manufacturing	Manufacturing offshore platforms and drilling towers
2599106	Metal Utensils Manufacturing	Manufacture of utensils used for domestic purposes of all kinds, including pots, trays and containers made of types of metals such as aluminum and stainless steel or covered with a non-stick layer for food during cooking
2511010	Scaffolds & Ladders Manufacturing	Manufacturing of Scaffolds & Ladders
2599401	Screwing Tools Manufacturing	Manufacturing of Screwing Tools
2511011	Central Air Conditioning Manufacturing	Manufacturing central air-Conditioning systems ducts and fittings installment, as well as ventilation hole covers, ventilation grids sound and vibration absorbers and other A/C installation requisites
2599113	Traffic Signs Manufacturing	Manufacturing of Traffic Signs
2511013	Metal False Ceiling Manufacturing	Metal False Ceiling Manufacturing
2599101	Metal Containers Manufacturing	Metal Containers Manufacturing
2824010	Oil and Gas fields Equipment Manufacturing	Industrial facilities that manufacture oil and natural gas equipment and tools, tools, tools and supplies used in drilling oil fields and exploration for natural gas
2599103	Metal Barrels Manufacturing	Manufacturing of Metal False Ceiling
2511014	Reinforcement Steel Bars Fabrication	The expansion or perforation of metals or the conversion of sheets into nets for the production of metal supplies such as protection angles, mesh strips (slats), brick row supports and other supplies used during the construction and cladding of buildings for the purposes of strengthening and cohesion of building elements and preventing cracks and cracks
2599102	Metal Boxes Manufacturing	Metal Boxes Manufacturing
2511001	Steel Rebar	Cutting iron bars from steel or wrought iron of different sizes and shapes and processing them in cylindrical shapes, columns, nets or others for use in the purposes of reinforcing buildings, installations and other concrete works
2599901	Metal Wires Manufacturing	Manufacturing metal wires by drawing the metal through a hole in a die or draw plate to use bearing mechanical loads and to carry electricity and telecommunications signals

2599905	Metal Mesh Manufacturing	,Manufacture of grates made of iron aluminum or other metals by the method of cutting and welding, which are used in the production of floors and stairs for industrial facilities or in the production of barriers for balconies, stairs or other purposes, as well as ,their supplies of supports, fasteners, corners .handles, etc
2599902	Metal Nets Manufacturing	Metal Nets Manufacturing
2599903	Barbed Wires Manufacturing	Manufacturing of Barbed Wires
2512001	Water and Liquids Tanks Manufacturing	Manufacture of vertical circular tanks constructed on ground surface or suspended on special support foundations, or horizontal tanks embedded underground and made of welded steel panels, to use for storage of water, oil derivatives, liquefied gas or other liquid substances, it0 does not include upper-buildings water tanks,
2599904	Chain Manufacturing	Manufacturing metal chain with series of connected links for using in lifting or pulling, also the chains used for transmission of mechanical power in industrial and agricultural machinery and bicycle, which have links designed to mesh with the teeth of the sprockets of the machine.
2512002	Silos Manufacturing	Manufacturing of Silos
2599110	Metal Buckets Manufacturing	Manufacture of buckets, trays and other metal products used for any purpose other than household utensils, this includes pots and vessels for farms, laboratories and workshons
2512005	Pressure Vessels Manufacturing	Manufacturing closed container designed to hold gases or liquids at a pressure different from the ambient pressure to use in different industries, oil, foodstuff, chemicals and petrochemical.
2599111	metal Ropes Manufacturing	Manufacture of metal ropes used in traction and lifting and in various other industrial uses.
2512006	Cauldrons Manufacturing	Manufacture of steam boilers that are used to heat water centrally in residential complexes and buildings or to produce steam used in central kitchens or in laundry shops and ironing them using steam.
2599112	Welding Bars Manufacturing	Manufacturing of Welding Bars
2591001	Iron and Steel Rolling	Iron and Steel Rolling

2599109	Gas Cylinders Manufacturing	Manufacturing gas cylinder of steel and composite materials which are chemically stable to use for domestic industrial and medical uses
2591003	Aluminum Rolling	Manufacturing of Pure aluminum rolling of aluminum sheets and sheets, including the crushing of aluminum plates with different zigzags to be later used for industrial or construction purposes
2599201	Aluminum Foils Manufacturing	Aluminum Foils Manufacturing
4662011	Wholesale of Metal Shaping Moulds Trading	Reselling of precision dies for metal or plastic molding to make metal or plastic products
2592005	Smithery and Welding Workshop	Includes workshops, blacksmithing and welding workshops equipped with special equipment and small machines, which cut iron through electric welding machines and according to the customer's request and based on commitments or agreements between those workshops and customers and without special production for those workshops
2592007	Lathe Workshop	Lathe Workshop
2599117	Steel Wool Manufacturing	-Manufacturing Steel wool by broaching low carbon steel for using as an abrasive in finishing and repair work for polishing wood or metal objects, cleaning household cookware
2599203	Aluminum Plates and Containers Manufacturing	Manufacturing of Aluminum Plates and Containers
2599118	Metal Sections Manufacturing	Includes the use of panels and pipes drawn and made of aluminum, iron or other metals in the manufacture of metal profiles, which in turn are used in the manufacture of doors windows, facades, suspended ceilings, light walls (partitions), stair barriers, balconies frames, furniture and other products and metal works for buildings or other products that the sections enter into their manufacture
2599306	Printing Plates Manufacturing	Printing Plates Manufacturing
2920107	Metal Garbage and Waste Collection Containers Manufacturing	Manufacturing of tanks, containers used for garbage and waste collection from public places. Home dustbins are listed
2512003	Metal Tanks Manufacturing	Manufacturing of Metal Tanks

2599115	Metal Chambers Manufacturing	Manufacture of tanks and metal compartments of metal plates and sheets by the method of cutting and assembling pieces which are used for preservation or protection such as protection tanks for electrical or industrial distribution, control and measurement panels, generator compartments, distribution points, storage tanks for keeping fire equipment, gas collection, purification or other uses
2750007	Electrical Home Appliances Manufacturing	Manufacturing of Electrical Home Appliances
2710002	Engine Spare Parts Manufacturing and Installing	Manufacturing major spare parts such as cam shafts, pistons, inlet valves, connecting rods and other parts used in different engines machines or industrial, marine or construction equipment
2710010	Power Distribution and Transmission Equipment Manufacturing	Manufacturing of Power Distribution and Transmission Equipment
2620009	Assembling computers	Assembling of computers and laptops from different components
2813001	Pumps Manufacturing	Manufacturing of Pumps
2817003	Typewriter Manufacturing	Manufacturing of Typewriter
2814001	Bearing Manufacturing	Manufacturing of Bearing
2816002	Hydraulic Forklift Manufacturing	Manufacturing of industries of machinery equipped with winches, wires and pulleys for use in lifting and unloading heavy loads in ports, places of loading and unloading goods, in construction and building works and in factories.
2826007	Sewing Threads Equipment Manufacturing	Manufacturing manual, electrical, electronic and computerized stitching and embroidering clothing, fabrics, shoes and leather products, whether a one person or Industrial sewing machines for automated process of stitching, it involves the needles and other accessories.
2819905	Fire Fighting Equipment Assembling	Assembling of industries of machinery equipped with winches, wires and pulleys for use in lifting and unloading heavy loads in ports, places of loading and unloading goods, in construction and building works and in factories.

2710014	Power Control Switchgears Manufacturing	Manufacture and assembly of electrical switchgear as well as electrical control devices for industry such as management and control devices for electric motors, electronic control devices, electromagnetic ballasts and others.
2819201	Split Air Conditioner Manufacturing	Manufacture of air-conditioning units with separate components (split) that are installed as units, whether they are linked or not linked to a comprehensive central air conditioning system
2710005	Manufacture of control panels for electric power distribution	Manufacture of control panels for electric power distribution
2819202	Air Conditioner Units Manufacturing	Manufacturing of Air Conditioner Units
2732001	Power Distribution and Transmission Cables Manufacturing	Power Distribution and Transmission Cables Manufacturing
2819206	Ventilation Equipment manufacturing	Manufacturing central equipment to use in factories, workshops, and warehouses for air ventilation and purification of smoke, gases and scattered solid particles, the same is also .for household fans and exhaust fans
2930110	Auto Electrical Wires Manufacturing	Manufacture of wires that connect all electrical parts responsible for the operation of the vehicle
2819207	Cold Storage Compartment Manufacturing	Manufacturing cold storage compartments to store foodstuff, medicine or other perishable stuff and heat damaging materials, whether ,for commercial or industrial uses, also refrigerators and freezers and similar devices in general stores for preserving and displaying foodstuff and other products, household refrigerators and freezers
2732004	Wired Communications Wires Manufacturing	Manufacturing metal and fiberglass wires used to carry telecommunication signals and data, such wires are used in telephony, TV and video, computer network and the internet ,marine cables
2819906	Automatic Gates & Barriers Manufacturing	Manufacturing or assembling gates and barriers whose opening and closing are ,automatically controlled from a distance which are used to regulate entry and exit in .buildings and private and public parking lots

2731001	Fiber Optic Cables and Wires Manufacturing	Manufacture and assembly of cables and wires that use optical fibers to transmit optical signals over long distances, and includes fibers through which optical signals of a uniform pattern are transmitted and used ,in telephone networks and television cables as well as the types through which optical signals of multiple patterns are transmitted .and used in networks the computer
2819205	Central Air Conditioner Equipment Manufacturing	Manufacturing Central Air Conditioner Equipment
2816011	Conveyor and Transmission Belts Manufacturing	Manufacturing Conveyor and Transmission Belts
2740005	Lamp Base and Accessories Manufacturing	Manufacture bases on which light bulbs are installed from ceramic, metal, glass or plastic Health and safety department approval
2821001	Agricultural Tractors Manufacturing	Manufacturing of Agricultural Tractors
2740007	Neon Signs Manufacturing	Manufacture of billboards from transparent plastic or glass tubes through which colored neon gas is passed to give the billboard its luminous shape.
2821004	Auto Irrigation Devices Manufacturing	Manufacture of artificial automatic irrigation devices for lands and soils where rain water is not sufficient for agriculture, and includes center pivot irrigation equipment, pumps, sprinklers, drip and control equipment and others
2720001	Liquid Batteries Manufacturing	Manufacture or assembly of components for liquid batteries used in cars, vehicles or other purposes, for the generation of low-voltage electrical energy, as well as for charging, transferring and reusing energy.
2829012	Specialized Precision Equipment Manufacturing	Specialized Precision Equipment Manufacturing
2720002	Dry Batteries Manufacturing	Manufacture of components for dry batteries used in cars, vehicles or other purposes, for the generation of low-voltage electrical energy, as well as for charging, transferring and reusing energy.
2740003	Chandeliers Manufacturing	Manufacturing of Chandeliers
2750005	Cookers, Cooking Stoves and Grills Manufacturing	Manufacturing of Cookers, Cooking Stoves and Grills
2750006	Electrical Water Heaters Manufacturing	Manufacturing of Electrical Water Heaters

2790006	Heat Elements Manufacturing	Manufacturing of heat elements fitted in electrical equipment and appliances such as heaters, toasters, kettles, grillers and others
2750002	Water Coolers Manufacturing	Manufacture water coolers and are used in all sectors and of all types
2610002	Electronic Tubes Manufacturing	Manufacturing of Electronic Tubes
2750004	Washing Machines and Dryers Manufacturing	Manufacturing of Washing Machines and Dryers
2220023	Manufacture of Electronic Chips & Semiconductors	Manufacturing silicon wafers (chips) used as a semiconductor, integrated circuits, discrete semiconductors and various chips fitted in computers, electronics, communications and industrial equipment
2630001	Telecommunications Equipment and Accessories Manufacturing	Manufacturing of Telecommunications Equipment and Accessories
2651001	Electrical Measuring and Control Systems Manufacturing	Manufacturing of Electrical Measuring and Control Systems
2651002	Non Electrical Measuring and Control Systems Manufacturing	Manufacturing of non-Electrical Measuring and Control Systems
2670004	Manufacture of optical magnifying instruments	Manufacture of optical magnifying instruments
3250012	Contact Lenses Manufacturing	Manufacturing the plastic lens placed on the surface of the eye either to correct visual defects or for cosmetic or therapeutic reasons
2652001	Watches and Clocks Manufacturing	Manufacturing watches, clocks, alarm clocks and timing mechanisms, instrument panel clocks, time-recording equipment and equipment for measuring, recording and displaying intervals of time such as parking meters, time clocks, process timers, also, all the accessories and components
2910001	Automobile Assembling	Assembling of Automobile
2920101	Trailers Manufacturing	Manufacturing the unpowered trailers which are pulled by a powered vehicle and which are used for transport of goods and materials or as mobile homes
2920102	Refrigerated Trailers Manufacturing	Manufacturing of Refrigerated Trailers
3211002	Silverware and Jewellery Manufacturing	Manufacture silver and jewelry
2920103	Tanker Manufacturing	Manufacturing of Tanker
3211003	Precious Stones Cutting and Polishing	Cut and polish precious stones
3211004	Precious Jewellery Manufacturing	The fixing of jewelry and gemstone diamonds includes jewelry, jewelry and watches as well as tools, antiques and artefacts made of gold or other precious metals.
2930101	Radiator Manufacturing	Manufacturing Radiator

3220003	Manufacture of the Requisites of String Musical Instruments	Manufacture of the Requisites of String Musical Instruments
2930102	Exhausts Manufacturing	Manufacturing exhausts used to convey burnt gases from the engine
2599307	Leaf Spring Manufacturing	Manufacturing of Leaf Spring
3240001	Plastic Toys Manufacturing	Manufacturing of Plastic Toys
2930108	Vehicles Additional Parts Manufacturing	Manufacturing of Vehicles Additional Parts
3240003	Dolls Manufacturing	Manufacturing of Dolls
2930106	Break Pads Manufacturing	Manufacturing of Break Pads
3290001	Pens and Writing Instruments Manufacturing	Manufacture pens of all kinds and various writing tools used in schools
3011101	Metal Ships Building	Manufacture metal ships
1629902	Cloth Hangers and Clips Manufacturing	Manufacturing of Cloth Hangers and Clips
3011103	Ships Metal Parts manufacturing	Manufacture metal parts for ships
3012002	Building of Wooden Boats	Manufacturing wooden boats
3290005	Brooms and Cleaning Articles Manufacturing	Manufacturing tools and requisites for cleaning floors, houses, buildings, furniture and household appliances, these are all kinds of brooms, shovels, ground and window sweepers, floor , clothes or utensils brushes ,garbage cans and all other cleaning requisites
3012003	Building of Fiber Glass Boats	Manufacture boats from fiberglass
3290007	Umbrellas and Awnings Manufacturing	Manufacturing of Umbrellas and Awnings
3290008	Mechanical Seals and Gaskets manufacturing	Manufacturing Mechanical Seals and Gaskets
3091001	Motorcycles Manufacturing	Manufacturing of Motorcycles
3092001	Bicycles Manufacturing	Manufacturing of Bicycles
3290009	Albums Manufacturing	Manufacturing Albums
3100001	House Furniture Manufacturing	,Manufacturing home furniture, such as beds ,bedroom sets, sofas, lounge sets, tables cupboards, chairs and others, also hotels or restaurants furniture, whether fully or partly manufactured from wood, metallic or plastic tubes, glass, bamboo, cane or others
3100002	Kitchen Cabinets and Fixtures Manufacturing	Manufacturing of Kitchen Cabinets and Fixtures
3100004	Schools and Hospitals Furniture Manufacturing	Manufacturing all kinds of furniture used in ,schools, laboratories, hospitals and parks such as seats, tables, desks and beds, also ,other fittings, such as shelves, cupboards .display windows, platforms and others

3830909	Organic Waste Processing	Treatment of organic waste such as plant residues or fish and meat cutting residues ,from hair, feathers, leather or intestines including removal, cleaning, sorting and ,drying, extracting fats and grease from them or producing extracts that are used in the manufacture of animal feed or organic fertilizers
3100007	Office Furniture Manufacturing	Manufacturing of Office Furniture
3100008	Shop Fixtures Manufacturing	Manufacturing of Shop Fixtures
3830902	Lubricant Waste Recycling	Refining, treating and purifying the waste lubricants and greases so that they become suitable for use again for the same purpose or .for other industrial uses
3100009	Spongy Pillow Manufacturing	Manufacturing of Spongy Pillow
3830903	Fabric and Textile Waste Recycling	Cutting damaged clothes, curtains and bed sheets into rags of specific sizes for use in wiping, cleaning, or any other means of disposing of these wastes.
3100010	Spring Pillow Manufacturing	Manufacturing of Spring Pillow
2511017	Metal Curtain Manufacturing	Manufacturing of Metal Curtain
1410904	Tailoring, Sewing and Knitting Men Non-Arab Clothes (Suits)	Tailor clothes on demand based on the 'customer's desire and tailor men's and boys .clothes such as suits, shirts and pajamas
2511016	Metal Partitions Manufacturing	Manufacturing of Metal Partitions
1410903	Tailoring, Sewing and Knitting Men Arab Clothes	Tailor Arab men's clothing and sew it according to the customer's request, such as .all types of Arab robes and others
1410907	Tailoring and Sewing Women Clothes	Tailoring and Sewing Women Clothes
1410902	Embroidered Garments	Embroidered Garments
1410905	Tailoring and Sewing Men Abayas (Bshuts)	Tailoring and sewing men's abayas according to the customer's request and desire and .according to the customer's crisis sizes
3212002	Jewellery Manufacturing from Non-precious Metals	Jewelry Manufacturing from Non-precious Metals
3212003	Antiquities and Traditional Instruments and Ware Making	,Manufacture antiques such as daggers swords, tools and household utensils from .silverware, copper, clay or pottery
3290022	Other Activities Related to Manufacturing of Other Processing Industries N.E.C	Manufacture of frames for natural images or paintings, whether from wood prepared for this purpose or from other materials that are ,suitable for making frames and frames whether metal, plastic or wooden frames, and this activity does not include the sale of .frames and paintings
3212004	Gifts and Jewellery Box Making	Manufacture gift boxes and jewelry

3290013	Artificial Plants & Flowers Making	Manufacturing artificial ornamental plants and flowers from paper, plastic, fabrics, glass or shells, also, drying of flowers and plants to use as decorators
2310017	Crystal Products Processing	Crystal Products Processing
4390006	Metal and Iron Works	Installation of metal equipment for buildings ,and constructions such as steam boilers ,storage tanks for water or liquid materials installation of chimneys and silos, and other equipment needed by construction projects according to their nature
2599127	Fish Net Manufacturing	Manufacturing gargoyles (fishing cages) manually, whether for personal use in fishing or for resale to others.
4330011	Doors and Windows Installation Works	,Installing doors and windows and their rings whether or not they contain metal fittings such as hinges and locks
9524003	Furniture Repairing and Upholstering	Upholstery of home furnishings, which is the re-filling and upholstery of seats and chairs for salons and beds, as well as the re-installation of important parts of them
1812005	Design and Artwork Services	Includes all types of technical design services for the purposes of printing or printed materials such as designing magazine covers and pages, books, in addition to designing ,other printed materials such as stamps greeting cards, magazine covers, brochures and other printed materials, and this includes implementing designs by traditional or .modern means
4659313	Wholesale of Marine Guiding and Port Equipment Trading - Import & Export	Trading of wires and cables made of optical fibers for various purposes, as well as the resale of their accessories and accessories ,such as connections, sockets, feeding points control and distribution boxes and other devices, supplies and accessories related to them
3250013	Cutting, Coating and Polishing Contact Lenses	Cutting, Coating and Polishing Contact Lenses
4773961	Retail Sale of stamps and accessories - retail	Reselling rubber, wood, steel stamps which are used primarily to authenticate documents .and products
7310010	Design, production and installation of billboards	Creating and placing advertisements in the outdoor advertising structure found in high-traffic areas such as alongside busy roads and on roof of buildings, aimed at attracting passing pedestrians and drivers.
1622007	Carpenter shop	Carpenter shop

9000901	Artwork for cosmetic Craft (sculpture)	Preparation and production of sculptures such as statues, figures and artifacts such as decorations and cosmetics made from consumable materials such as polystyrene, paper, snow, sweets, or the like, for the purpose of using them as materials and elements for decoration
3510002	Electricity Transmission	Transferring electrical energy from its generating sources to the places of its use
4220902	Oil and Natural Gas Pipelines Construction Contracting	,Construction of oil and natural gas pipelines and this activity includes the extension of oil ,and natural gas pipelines or more, valves reservoirs and the necessary pumping stations
3600002	Water Desalination, Refining and Distribution (Desalination Plant)	Stations and refineries that carry out evaporation and condensation operations and other operations for the purpose of removing salinity from seawater or other saline water by way of reverse osmosis and producing water suitable for drinking, irrigation, or for other commercial and industrial uses.
7110112	Sewerage and Collecting and Disposing of Wasted Water Engineering Consultancy	Prepare designs, drawings and specifications for consultations in the field of sanitation and waste water collection, and it includes the work of those offices in designing and supervising implementation. Issuance) Entry in the records is considered a license to practice the profession, and the engineer or the engineering consultancy office may not work in a specialty other than the licensed classification.
2819203	Air Conditioner Units Assembling	Air Conditioner Units Assembling
4329101	Elevators and Escalators Installation and Repair	Includes technical facilities specialized in carrying out works and undertakings and installing elevators of all kinds, as well as electronic moving ladders. The activity includes repairs and practical periodic maintenance for them
4329904	Electrical Fittings & Fixtures Services	Maintenance of internal electrical wirings for ,buildings and various establishments
9521003	Television Channel Aerials Repairing	,Repair of receivers of television channels which are meant transmitter antennas, and this activity includes the repair and maintenance of receivers and reprogramming of those devices, and this activity includes the maintenance of connections

4329906	Sanitary Installation & Pipes Repairing	Maintenance of internal plumbing for buildings and various establishments, and this is represented either by direct contracts with the owners of those buildings or through a direct order for maintenance
4321009	Security And Surveillance Equipments And Apparatuses Installation	Install and maintain equipment and devices in public facilities and buildings that are used for security purposes and to protect against burglary, vandalism, or exposure to various dangers, such as surveillance equipment from cameras, other visual devices, and other security equipment.
4321013	Internal Communication Network Installation & Maintenance	Internal Communication Network Installation & Maintenance
4510102	Buses and Trucks Trading - Import & Export	Reselling different passenger buses, as well as ,trucks and trailers for transporting goods .liquid substances, building materials...etc
3313007	Electronic Apparatuses and Equipments Repairing	Repairing all electronics appliances
4510101	New Passengers Vehicle Trading - Import & Export	Sale of new cars intended to transport passengers, whether for personal use in moving and transporting luggage or for commercial use for the purpose of leasing to individuals or transporting passengers for a fee
4510902	Used Buses and Trucks Trading - Import & Export	.Trade in used buses and trucks
4520023	Cars Multi-specialization Maintenance Workshop	Repair of all types of vehicle and car malfunctions, including vehicle painting and painting
4322003	Fire Fighting & Safety Equipment Installation	Installing and operating security, safety and firefighting equipment and devices. This activity includes installation, repair and maintenance of fire alarms, testing and training in their management and maintenance without issuing certificates
4520003	Vehicles Mechanics Repair	Repair or replacement of mechanical spare parts and accessories
4321012	Pipe Networks And Specialized Connections Installations	Implementation of pipe networks for various purposes in industrial facilities and civil construction, and also includes the implementation of specialized extensions other than sanitary and electrical extensions ,such as medical gas extensions in hospitals fuel gases in buildings and factories, computer line extensions, fiber optic wires, waste disposal extensions or other extensions, and this activity also includes the implementation of the necessary installations for them to operate and monitor the network of these .extensions

4520005	Cars Electricity Repair .	Repair or replacement of electrical parts and accessories
4520021	Cars Air-conditioners Repair	Repair or replacement of vehicle cooling and heating system spare parts and accessories
4520007	Tyres Changing and Repairing	Replacement and repair of external and internal tires for cars and vehicles
4330021	Cladding Works	Finishing works for all buildings
4520001	Vehicles Denting	Repair of the external car body from damage
4520010	Vehicles Oil Change	Vehicle oil exchange through workshops and fixed shops for automatic or manual change or through specially equipped mobile vehicles that change vehicle oils in their parking spaces in public or private parking
4520011	Cars Provision with Corrosion Resistant Materials	Treat all kinds of rust-resistant insulating materials that protect vehicles from moisture and water.
4329901	Buildings Maintenance	Maintenance operations for the buildings only, without the equipment and extensions they contain, and among those operations are ,the repairs and repairs to the ceilings .columns, walls, floors, etc
4390008	Scaffold Installation Works	Dismantling and installing scaffolding and ladders for buildings that are used in painting or installing ceramics. This activity does not .include selling or renting scaffolds
4520013	Cars Exhaust Repair	Repair of vehicle exhaust (Al-Ajzozt), including the repair replacement of spare parts and accessories
4330015	Décor Works	Includes interior decoration works, including ,wooden oriels, gypsum decoration of ceilings flooring and curtains fixing as well as other .similar complete works executed by the firm
4520006	Vehicles Radiators Repairing and Cleaning	Repair of vehicle coolers, including installation or replacement of spare parts and accessories
4330012	Carving and Embroidery Works	Painting, engraving and interior decoration ,works for buildings that are executed in color wood, gypsum, etc. This activity does not .include decoration implementation works
5221001	Towing and Transporting of Broken Down Cars	Transporting or towing broken cars on public roads to specialized workshops for repair
4330016	Wallpaper Fixing Works	Decoration works specialized in installing -wallpaper for walls, as well as pasting ready made drawings on the entrances and exits of buildings and the interior walls of buildings

4520027	Refrigerated Trailers Repair & Maintenance	Repair of equipment of trailer refrigerators transporting frozen materials
4330018	False Ceiling And Light Partitions Installation	Installing false ceilings and wooden or metal walls that are used for the purpose of dividing spaces in offices and others. This branch does not include covering floors and walls with tiles and ceramics
4520018	Vehicles Seats Upholstery	Upholstery of vehicle seats, including cutting and detailing fabrics to cover vehicle seats, the number of covers and curtains that are installed on vehicle seats, and furnishing all types of cars with leather bedspreads or other materials
2920905	Automobile Special Accessories Fitting	Automobile Special Accessories Fitting
4530002	Auto Spare Parts & Components Trading - Import & Export	Trade in new spare parts for buses and trucks. This activity does not include trade in the bodies of those cars.
4530011	Cars Additional Parts Trading - Import & Export	The resale of additional parts and parts that are installed on cars and vehicles for the purpose of modifying their external appearance such as additional supports, or in increasing their efficiency such as air reflectors or in diversifying the areas of their use such as luggage carrying bases, sun and rain protective covers, small trailers and other devices installed on police, ambulance or fire trucks for alarm, towing or performing tasks related to the work of the vehicle.
4530005	Cars Tyres and Outfit Trading - Import & Export	Car tires trade, including all the parts that make up the tire, such as the inner metal part of the tire and the outer rubber part.
4530003	Cars Used Spare Parts Trading - Import & Export	Trading spare parts for all types of used cars that are suitable for replacement in cars and the activity also includes the sale of full engines used cars.
4510106	New Containers and Trailers Trading - Import & Export	Sale or purchase of all types of containers and new trailers those intended for the transport of all types of goods, building materials and ,transport tanks of different sizes and types and this activity includes all spare parts and .supplies for containers and trailers

3319908	Entertainment Halls Apparatuses and Equipments Repairing and Maintenance	Repair and maintenance of amusement and entertainment equipment such as billiard tables, electronic game consoles, handheld game consoles and other equipment used in amusement and entertainment halls
4922005	Special Cars Rental with a Driver	.Rent private cars of all kinds with drivers
3311001	Repair of metal tanks, reservoirs and containers	Repair and maintenance of tanks, tanks and non-petroleum mineral vessels using various techniques and protecting them from corrosion or interaction with surrounding natural materials or to prolong the life of their
7710002	Trucks Rental	Renting public trucks to transport public materials only without drivers.
4923001	Goods Land Transportation	Goods Land Transportation
4923002	Raw Materials Land Transportation	Transfer of raw materials across states to states
4923005	Water Transportation	Transporting drinking or waste water on tanks and as per order
4923006	Refrigerated Transportation	Transport materials whose transport operations require the use of vehicles equipped with different coolers. These materials include fruits, vegetables, fish, meat
8010002	Money, Jewellery and Precious Items Transporting Services	Transporting money, money and precious metals such as gold, silver and other collectibles and precious commodities such as jewelry and antiques in specialized and insured vehicles in accordance with the requirements of the security authorities
5012004	Marine Transportation of Petroleum and Gas Between Countries	Maritime transport of oil and natural gas from one country to another by sea by ships and ships
5021001	Internal Water Transportation of Passengers	Water transport of passengers from one place to another by sea by ships, ships and boats
5021002	Excursion Boats and Ships Renting	Renting boats, small vessels and yachts equipped for individuals or tour groups for the purposes of tourism and outing within cities or between them through making

7730018	Marine Locomotives and Lighters Renting	Rental of tugs and barges used for cargo transport purposes
5224006	Shipment Containers Loading and Offloading Services	Providing services for loading or unloading shipping containers with their equipment or machinery on vehicles, ships or aircraft in preparation for loading them or unloading ships, vehicles and aircraft.
5021003	Running Marine Tourist Voyages	Operate cruises within or between cities through regular or irregular sea transportation lines, including the transport of individuals and tourist groups and the provision of accommodation and subsistence services to them, in addition to other tourism
7490003	Air Means of Transportation Inspection and Classification	Inspecting air transport means to estimate their purchasing value or to determine their productive life or the type of cargo that is suitable for that means to be used in transporting them and the amount of that cargo or to estimate the type of maintenance that you need and the amount of its cost, as well as inspecting the load of that means and preparing reports thereon for the owners of
7911002	Marine Lines Agent	Handling shipments and cargoes and transport of passengers on behalf of ship owners, their services involve, arranging for the pilot and the tugs, drawing up the documents for the customs and harbor services, arranging for storage bunkers organizing the supply, contacting shippers and
5222005	Ships Management and Operation	Management of ships, ships and other means of maritime transport of all kinds, operating them for the benefit of others in the field of maritime transport, carrying out all operations required by arrangements for the transport of passengers and goods, and changing crews of sailors and seafarers
5229007	Ship Renting Intermediate	Renting ships and marine pieces and between charterers from the owners of shipping lines or travel agents and others, and the role of this broker is limited to conducting mediation operations and charging a commission for
7911001	Airline Travel Agency	Providing reservation services in hotels and other means of travel such as airlines, car rental, etc., as well as this activity includes international shipping line agents who work in organizing the transport of goods by sea and are authorized to reserve places for goods that are imported from abroad, exported or
5224001	Goods Loading and Offloading Services	Providing services for loading goods from vehicles, ships or aircraft

5224005	Goods Packaging Services	Packing and preparing goods so that they become fit for shipping, and carrying out transport operations to shipping berths or locations, and this activity also includes providing services for packing household and personal supplies and effects, or packing goods stored in warehouses for the purpose of transportation and storing them
7911006	International AirLines Office	The offices established by international airlines that have regular routes through ,which they promote the company's activity supervise the management of its affairs and other related activities
5224002	Sea Cargo Services	Shipping exported or imported goods on maritime transport means and includes receiving the goods of others for shipment and carrying out related services to store them in warehouses, packing or unloading, sorting and the like in preparation for their shipment, and also includes the services performed by providing the necessary spaces for goods shipped on aircraft and booking those spaces with the carrier company or its
5320003	Postal Orders Issuance	,Issuing postal remittances in cash and in kind such as accepting and delivering regular mail
5210002	Storing in Public Storehouses	Warehouses equipped with loading and unloading equipment to store dry foodstuffs as well as other goods and goods
5320002	Letter-post Dispatches Delivery	Delivering surface and registered mail, usually letters, postcards, publications, small packs and publication pouches weighing 1 kg. in
5210003	Gas and Petroleum Materials Storing	,Storage activities for liquefied gases in tanks as well as storing petroleum materials and derivatives such as fuels, kerosene, diesel ,(diesel), greases, derivative oils petrochemicals and others, whether they are liquid or solid and methodology in storage
5320007	Documents and Instruments Delivery	.Document transfer including express delivery
4773405	Retail sale of Old Stamps and Coins and the Like	Sale, purchase and exchange of old and commemorative items such as postage ,stamps, coins and banknotes, phone cards photos of celebrities, whether historically ordered, themed or single pieces
7490002	Marine Means of Transportation Inspection and Classification	Inspecting the means of maritime transport to estimate its purchasing value or to determine its useful life or the type of cargo that is suitable for that means to be used in its transportation and the amount of that cargo or to estimate the type of maintenance you need and the amount of its cost, as well as the

6120002	Global Television Networks Programs Rebroadcasting Services	Buy rights of rebroadcast programs of the international TV stations and networks through closed TV circuits and re-sell these programs to the public or establishments such as hotels and companies in return for annual
4773914	Retail Sale of Balances and Scales	Selling of electric and sensitive scales, dry measures and balance equipment used for weighing
4610012	Facilities and Low Prices Cards Issuance Services	Selling of cards that can be used to obtain discounted prices or certain facilities when purchasing goods or services from a group of stores, shops, hotels or other institutions participating in the discounted rates program or the facilities provided by those cards
5510003	Hotel Apartments Rental	Establishments that prepare suitable accommodation in rooms equipped for this purpose for guests who stay for a temporary period and its activity is limited to providing housing services to its guests without other familiar services usually provided by hotels
7721004	Bicycles Renting	Renting bicycles that operate without any engines of various types or sizes, whether in specialized stores or specific public places.
7730025	Cargo Containers Rental.	Rent containers intended for transporting goods and storing, whether for commercial use, for the purpose of leasing to individuals or establishments for a temporary period.
7730014	Converting Industries Equipment & Machinery Rental	Rent manufacturing equipment and other equipment used in industrial production for commercial or industrial investment for institutions, individuals and government companies
7729001	Textiles, Clothes and Shoes Renting	Renting textiles, clothing and shoes of all kinds, whether professional or formal, for use by tenants for an agreed period.
7110902	Computer Engineering Consultancy	Prepare designs, drawings and specifications for consulting in the field of computers
6201001	Computer Systems and Software Designing	Analysis and design of applied systems for the use of computers (computers), and what is required for that from the development of programs that operate those systems. An economical solution and the provision of the necessary programs to achieve this solution This activity also includes simplified writing of the program based on the user's instructions especially those activities that include developing, providing, processing and documenting programs prepared according to the request based on requests from specific users and ready-made applications. It also includes the preparation and design of Internet pages for individuals and government

8299006	Commercial Information Services	Collecting information about institutions and companies, as well as inquiring about businessmen regarding their commercial activities, providing information about opportunities and industrial commercial events, processing that information
6201002	Electronic Chips Designing and Programing	Programming activities for chips or electronic chips used in computers, or in electronic devices and equipment that operate automatically, especially machines used in industrial production, vehicles, home electronic devices, electronic games and
6201005	Network Websites Designing	.Designing websites for electronic service
7020008	Human Resources Consultancy	to planning human resources and manpower, as well as raising the level of their performance by studying functional problems that face the employee during the performance of his job tasks, whether technical, psychological or behavioral, diagnosing them, identifying the problem and providing appropriate solutions to avoid it, including preparing reports and providing advice and advice And designing professional and administrative programs and proposing training courses to help the employee
9511001	Computer Maintenance and Repairing	,Repair and maintenance of all laptops including fixed and fixed and includes this activity replacement of damaged parts and includes the activity repair services inside
7020006	Quality, Standardization and Measuring Consultancy	Consulting services in the areas of raising the level of quality in the services provided by service establishments or the level of products produced or manufactured by industrial and production facilities, and also includes the provision of calibration and standardization consultations for conformity with standard specifications in services and products.
3312008	Office Machines and Calculators Maintenance and Repairing	Repair and maintenance of machinery and ,office equipment such as calculators typewriters, office packaging equipment
7020026	Consulting technical equipment and technical	consulting services in the field of electronic equipment, audio-visual systems, television and radio production, lighting systems and other services for studios, theaters, conference rooms, teaching aids laboratories, etc., including identifying and characterizing appropriate equipment and equipment, evaluating offers submitted for purchase, and technical supervision of implementation.

6202005	Information Technology Network Services	Providing subscription services and connection to global information networks, specialized data banks and electronic data exchange, which in addition includes operational and practical applications such as e-mail and electronic exchange of information through the use of communication networks and its local and international lines (Internet) and the role of these establishments is limited to facilitating the task of subscription for a fee
7020004	Hotel Consultancy	Preparing marketing studies, economic feasibility studies and the required field surveys and questionnaires, in addition to providing technical advice related to economic investments in the field of hotel services, and whether this relates to new projects or the development of existing
6311009	Computer System Housing Services	Computer System Housing Services
7110506	Tourism Recreational and Entertainment Areas Planning Engineering Consultancy	Preparing designs, drawings and specifications for consultations in the field of planning recreational areas and tourist
7210003	Pharmaceutical Consultancy and Studies and Researches	Institutes, academies, or centers that take care of scientific and research issues in the field of pharmaceutical sciences and their modern technologies and adapt them to serve the pharmaceutical and pharmaceutical products industry and raise the level of the pharmacy profession, as well as in the field of developing pharmaceutical education and taking care of developing raw materials that
7110205	Civil Engineering Consultancy	Prepare designs, drawings and specifications for consultations in the field of civil engineering (includes establishments working ,in the field of preparing studies, designs drawings, providing engineering consultancy and developing technical specifications related to all branches of civil engineering and its subspecialties or most of the subspecialties affiliated to it, and this includes coordinating the practical relations between these ,elements with regard to movement, shape etc., It also includes the preparation of preliminary engineering and technical studies for buildings projects and commercial and ,economic facilities of various purposes including the services of preparing tender documents, qualifying consultants and contractors, evaluating financial offers, and following up the implementation work on the

7110702	Road Engineering Consultancy	-Providing engineering services related to long distance external roads and their precise specializations, and this includes preparing studies, designs, drawings and technical specifications related to those roads and their layouts, tunnels for vehicles and others. The work of these offices also includes in the supervision of implementation or design and supervision of Execution and that depends on
7110911	Engineering Consultancy of Ship Building Engineering	Preparation of designs, drawings and specifications for consultancy in the field of shipbuilding engineering (including the preparation of designs and drawings for the construction of ships, boats and other similar (means of transport
7110916	Foundations and Soil Mechanics Engineering Consultancy	Prepare designs, drawings and specifications for consultancy in the field of foundation engineering and soil mechanic
6910002	Legal Consultancy Offices	Providing consultations and preparing legal studies for legal issues
7110901	Consultancy of Survey Engineering	Preparing designs, drawings and specifications for consultations in the field of surveying ,engineering, determining signs, boundaries service paths and road campuses, determining the direction of the qibla, making contour plans and entrance levels, conducting a survey on the construction works that have been carried out
7120022	Services, quality certification, evaluation and calibration, Altqays	Services, quality certification, evaluation and calibration, Altqays
7110202	Architectural Engineering Consultancy	Preparing designs, drawings and specifications ,for consultations in the field of architecture preliminary engineering and technical studies ,for building and construction projects evaluating financial offers, and following up the implementation work in the technical and engineering side of them, and its activity also includes supervising the construction and implementation of those buildings and .projects
6920001	Accounts Auditing.	Auditing the accounts of companies and institutions, conducting a comprehensive examination and audit of all types of accounts, records and accounting books of an establishment and the results of its work, and preparing reports related to showing its financial position, in addition to the competence of these offices to carry out all other accounting work in their various

7110507	Sites Landscaping and Coordinating Engineering Consultancy	Preparation of designs, drawings and specifications for the beautification of ,external courtyards, lands and gardens organizing them and coordinating aesthetic relations between them and neighboring buildings and landscapes, and the work of these offices also includes supervising the implementation or design and supervising the implementation, depending on the license
7110501	Comprehensive Architectural Planning Engineering Consultancy	Urban design in all or most of its branches and subspecialties, such as city and regional planning engineering, urban and environmental design engineering, and others
7320002	Marketing Management	Planning the marketing of a specific good or ,service, with determining price values ,promotion, determining distribution outlets etc. related to the marketing process of the owner of the good or service, and also includes digital marketing using digital channels to promote all types of goods and
5229011	Transportation Consultancy	Preparing studies and providing solutions about transportation and how to ensure the flow of traffic, and this includes the effect of establishing large projects on traffic movement, adjusting the timing of traffic lights, proposing ports and alternative routes
7110704	Bridges Engineering Consultancy	Prepare designs, drawings and specifications for consultancy in the field of bridges
7020002	Economical Feasibility Consultancy and Studies	Establishments that work in preparing technical and economic studies for new projects to determine the profitability of those projects or their economic feasibility over a certain period of operation, such as technical, economic and other feasibility
7110104	Electronic Engineering Consultancy	Prepare designs, drawings and specifications for consultations in the field of electronic engineering in all its branches and
7110946	Heavy Machinery Engineering Consultancy	Heavy Machinery Engineering Consultancy
4772012	Retai sale of Soup and Hair Care Composition	Retail sale of Soup and Hair Care Composition
4659944	Trading In Electronics And Communication - Import & Export	Trade of electronics, communication systems and equipment used in communications of all kinds, including main switchboards such as exchanges, exchanges, communication transmission and organization devices, as well as equipment for telecommunications earth stations, satellite positioning systems (GPS)
4641102	Wholesale of Blanket, Ready-made Linen and Sheets Trading - Import & Export	Trade of all types of blankets, blankets and home furnishings such as bed linen, furniture ,and linens, as well as towels and towels including pillows, pillows and their covers

8549012	Computer Software Training	Training on the design and development of computer systems and computing ,environments, including the study of design maintenance and integration of software ,applications, and includes programming systems analysis and design, electronic data processing, network management
5911001	Cinema Films Production	Produce motion pictures to be eventually released to the public for commercial, artistic or non-commercial purposes. Organizations may recruit technical and artistic staff to produce motion pictures, including ,technicians, set designers, costume designers actors, musicians etc. Also includes ,promotional activities such as advertising public relations and events through the internet
8549025	Hotel Education and Training	Training services for personnel working in tourism establishments such as hotels and restaurants, etc., on reception, making ,accommodation reservations, car rental accounting, and training on how to deal with guests
4649038	Authentic Antiques, Artefacts & Artworks Trading - Import & Export	Trade of frames, pictures and paintings that are used in wall decoration or as art .collectibles
2011016	Chemicals Blending	Producing one or several chemical products by combining chemical compounds and by using several different chemical reactions.
2220010	Table Plastic Covers Manufacturing	Manufacturing of Table Plastic Covers
7020020	Consultancy project development	Preparing project studies and its components, formulating strategies for development opportunities, supervising ,economic feasibility studies and marketing reviewing development requirements and ,obstacles, analyzing and evaluating the cost supervising development stages. And
5229004	Freight Forwarding & Clearing Services	,Clearing goods from customs facilities whether they are land, sea or air
4659312	Heavy Equipment & Machinery Spare Parts Trading Import & Export	Trade of heavy machinery and equipment, such as factory machinery and equipment, machinery, hoisting and loading mechanisms, excavators, loaders and others.
9311006	Sports Research & Consultancies	Providing specialized services to various sports clubs and sponsoring them, and their services include organizing contracts with coaches and undertakings to organize external and internal camps for sports teams, organizing contacts with foreign sports teams.
2396006	Manufacturing Marble & Granite - Import & Export	Manufacturing Marble & Granite
2740004	Lighting Fitting & Fixtures Assembling	,Assembling lighting devices in public gardens .parks, airports, sports stadium and others

8620009	Thoracopathy Clinic	Medical facilities (clinics) that provide simple medical and therapeutic advisory services and do not provide emergency services. Patients are taken care of by one or more medical practitioners working in the field of various chest diseases and providing treatment and
4781009	Instant Coffee Preparation	Preparing, mixing and packaging of instant coffee, coffee creamers and mixes there off in well sealed packs, bags or jars.
3100003	Manufacture of Metallic Furniture	Manufacture of Metallic Furniture
3290020	Coal Cubes Manufacturing	Manufacturing of Coal Cubes
4690005	Smelters & Furnaces Refractory Materials Trading Import & Export	Trade of Precious Stones trafficking in ,firearms, which are used in furnaces smellders and those stones of various kinds are factors that help to increase the fusion
2395005	Manufacture of other Metal Products	Manufacture metal parts and artifacts that -are used in buildings and interiors by pre ,casting molds such as columns, stairwells ,balconies, mesh partitions, flower beds
2813003	Valves Manufacturing	Manufacturing Valves
8010001	Party Security and Bodyguards	Guard services for residential and commercial buildings by appointing limited guards, and this also includes the use of automated systems in guarding, such as linking these buildings to an electronic system for emergency security and safety
8211004	Restaurants Management	Restaurant management and all operations related to processing and operation.
5610004	Shisha Lounge	Establishments that have a dedicated hall for this purpose and provide shisha services
4659922	Wholesale of Car Cleaning and Washing Equipment Trading	Trading of car cleaning and washing equipment, whether powered by steam power, such as steam cleaning devices or devices constituting large car wash stations
4510101	New Motor Vehicles Trading Import & Export	. Trading of new cars
7110924	Electronic Devices Engineering Consultancy	Preparing designs, drawings and specifications for consultations in the field of electronic equipment engineering.
7110114	Communications Engineering Consultancy	Preparing designs, drawings and specifications for consulting in the field of power plants and supervising the implementation
7110106	Mechanical Engineering Consultancy	Preparing designs, drawings and specifications for consultations in the field of mechanical engineering in all its branches and subspecialties and supervising the
7110925	Industrial Production Engineering Consultancy	Prepare designs, drawings and specifications for consultancy in the field of industrial production engineering related to the use and maintenance of machinery and devices and

7110927	Liquids Mechanics Engineering Consultancy	Engineering activities and services provided to gas, thermal and hydroelectric power plants, automotive engineering, internal combustion engines and water pumping units in the fields of fluid mechanics, propulsion systems, air regeneration and air conditioning and air conditioning systems
7110928	Consultancy of Aviation Engineering	Preparing designs and drawings for building aircraft of all kinds, including developing detailed specifications for materials used in manufacturing and installing equipment, equipment and engines suitable for each type according to the uses and purposes that will be allocated to them
7110948	Petroleum Recycling Units Engineering Consultancy	Engineering activities and services provided to petroleum companies and oil refineries in the fields of thermodynamics, fluid mechanics, petroleum refining engineering, heat transfer, reaction engineering, petroleum refining industry, building their plants and stations, operating and planning their production, etc
7110405	Mines and Mining Engineering Consultancy and Geological Engineering	Preparing designs, drawings and specifications for consultations in the field of mines, mining and geological engineering, including the study of the layers of the earth, the quality of the minerals they contain, the movement of groundwater, the degrees of hardness of the layers, the properties of minerals and rocks, the analysis of data related to them from a technical point of view, and the preparation of studies, data and
7110301	Chemical Industries Consultancy	Preparing designs, drawings and specifications for consultations in the field of chemical industries
7110952	Petrochemical Engineering Consultancy	Preparing designs, drawings and specifications for consultations in the field of petrochemicals such as the industries of detergents, paints, synthetic fibers and others.
7110932	Petroleum Recycling Engineering Consultancy	Providing engineering consultancy to petroleum companies, gas manufacturing and fertilizer plants in the fields of petroleum refining engineering, thermodynamics, chemical engineering, control operations, gas manufacturing, thermal and mass transfer phenomena

7110601	Marine Consultancies	Specialized engineering consultancy offices that prepare designs, drawings and specifications for consultations in the field of sea ports and maritime transport. Engineering consultancy may not be practiced except after being registered in the registry of engineering consultancy offices (the authority or the local authority of the emirate subject of issuance). An engineer or engineering consultancy office
7110933	Manufacturing and Materials Engineering and Consultancy	Preparation of designs, drawings and specifications for consultancy in the field of metallurgy
7120002	Chemical and Biological Analysis Lab	Chemical and biological analysis, measurement and weight verification of various materials, metals or elements, such as analysis of building materials, soil metals and chemical materials or foodstuffs, to determine the chemical composition thereof. This also includes laboratory tests of materials and elements to determine mechanical characteristics such as solidity, cohesion, or resistance etc. The establishment's activities
7110907	Quantities Calculations and Inventory Engineering Consultancy for Engineering Projects	Preparing designs, drawings and specifications for consultations in the field of calculating and counting quantities for engineering projects, studying the quantities involved in the implementation of construction projects, estimating their sizes and prices
7110921	Industrial Projects Management	Preparation of the basic principles of industrial project management. From project analysis, planning, programming, organization, and monitoring during implementation. Study the different ways of programming industrial projects, including the study of the critical path. Studying methods of distribution, controlling and settling costs and needs, determining the time period of the
7120011	Metals and Precious Stones Testing and Analyzing Lab	Conducting chemical and physical analyzes and tests on gold bullion and precious metals to determine their purity or on their raw materials or on alloys mixed with non precious metals to determine the percentage of gold or precious metals in their components or determine their degree of hardness or other tests and examinations
7110936	Technical Consultancy of Buildings and Engineering Models Execution	Preparing miniature stereoscopic models for buildings and construction projects or models, shapes and engineering designs of all kinds, such as designs for tools, utensils, devices, vehicles and others

7120013	Industrial Installations Inspection Consultancies.	Engineering technical detection of defects in industrial facilities equipment and equipment such as mechanical and electromechanical machines for power plants, water desalination and sewage, petrochemical plants and their extensions, workshop equipment, factories, machine engines, etc., including non-destructive inspection and testing of engineering technical detection, analysis of results, and numbers of studies and reports showing the status of cases and treatment
7020018	Professional Safety and Health Consultancy	Providing services and consultations related to occupational safety and health, such as checking equipment and machinery used in construction and contracting works or in industrial establishments and issuing certificates that the conditions for occupational safety and health are met
7110937	Architectural Production and Drawing Technical Consultancy	Providing services for drawing projects of buildings and civil establishments of all kinds includes a graphic drawing of what they will look like after completing their construction, implementation and production, an architectural output that shows its relations with the existing and neighboring projects, buildings, terrain and landscapes
7120015	Mechanical and Physical Tests Lab	Carry out mechanical, physical, electrical and optical measurements and examinations, as well as conduct measurements of temperature, thermal transfer, measurements of sound vibrations, vibrations and other examinations, mechanical and physical measurements, and give reports on
7110404	Petroleum and Natural Gas Searching and Exploration Consultancy	Prepare designs, drawings and specifications for consultancy in the field of oil and natural gas research and exploration (including facilities that provide hydrographic, ground and geophysical surveys and related consultations in the field of oil and natural gas
7120005	Weights and Measurements Standardization Lab	,Examining the metrology used in laboratories factories and trade and services firms, to ensure their intactness and accuracy. These firms use internationally-recognized methodologies and metrology and issue
7310017	Advertising Researches & Consultancies	Providing consultations on the design of advertising campaigns and how to display advertisements on various media in order to influence consumers' choices regarding advertised commercial offers, and also includes conducting research that helps the aforementioned institutions improve their advertising performance, these establishments are not allowed to conduct

7110508	Marine Survey Engineering Consultancy	Preparing plans and drawings for water bodies, carrying out works and studies related to marine surveying, participating in the implementation of construction projects ,inside waters, water bodies and beaches preparing maps for engineering and marine works, preparing tide schedules, supervising the implementation or design and supervising the implementation, depending on the license
7110941	Geographical Maps Drawing Technical Consultancy	Preparing natural, political, and civil geographic drawings and maps, whether digital or linear, as well as preparing topographic and contour plans for the terrain and nature of the land, as well as preparing
7310004	Promotional Gifts Preparing.	Creative designing and creating promotional gifts used by commercial entities to promote themselves and products, such gifts include pens, diaries, commemorative and sport medals, sport trophies, tires covers, names
7310005	Advertisement Material and Samples Distribution	Distributing promotional materials such as pamphlets, catalogs, posters and gifts, besides distributing samples of the products which a company produces and is bidding to promote
7110945	Machines Mechanics Engineering Consultancy	Engineering consultancy services are provided to desalination plants and power generation in the fields of engineering mechanics, machine design and preparation
7110947	Petroleum and Gas Tank Pipes Building Engineering Consultancy	Preparing designs, drawings and specifications for consultations in the field of building pipes and oil and gas tanks
7110906	Security Systems Consultancy	Preparing designs, drawings and specifications for consulting in the field of security systems.
7120006	Security Systems Testing and Checking Services	,Inspecting security systems to ensure safety workability and consistency with standard specifications, then to provide technical reports and certificates accordingly
8010010	Security Training Services	Security training, which includes the concept ,of security, preparing reports, technical skills ,awareness of social and security issues training on responding to inquiries, reception and guarding
8121001	Interior cleaning services for buildings and dwellings	Providing services for cleaning residential buildings and offices of other commercial units, our services for surfaces and external
7420003	Photography Studio	Production of photographs for personal purposes, whether inside or outside private studios, such as the production of personal photos of individuals used on passports, employment applications, travel visas, etc., and also includes photographing weddings or other parties and personal events, and this activity also includes institutions that use automated equipment for photography using

7420006	Film Developing and Photo Printing	Personal photographing either in or outside specialized studios for different purposes such as passports, employment immigration visa applications. It also involves photographing weddings and other personal events. Firms which use coin photography machines are
8219002	Typing & Photocopying Services	Typing and photocopying documents to be -submitted to governmental and non governmental bodies, as well as personal documents, such as curriculum vitae etc
8219003	Maps and Drawings Copying Services	Preparation of copies of maps and drawings of all kinds, whether printed or recorded on audio or visual tapes or in the form of ,photographs or Miro film slides or otherwise whether this is done through the use of the capabilities available to establishments specialized in the work of printer, recording and copying, or the establishments have the necessary equipment for that themselves, and
7490005	Legal Translation Services	Translation of texts with general content, specialized texts such as commercial contracts, legal, commercial, technical, scientific and other texts, and this activity also includes sequential translation.
8299003	Transactions Follow-up Services	Transactions Follow-up Services
7010001	Management Office	Offices opened by one of the existing commercial or industrial institutions or companies to be used in organizing administrative and office affairs related to the same institution or company to which the office belongs, and accordingly, these offices are not allowed to conduct any commercial business, and this office must be linked to an establishment with a commercial or industrial
8291001	Debts Collection	Follow up the rights of companies, institutions or individuals, carry out the necessary tasks and services in order to protect assets, and strive to collect debts incurred in favor of -those entities due to others, including post dated checks and bad debts
7490001	Inspection and Pricing Services	Examining, and estimating immovables such as lands and buildings and movable such as ,goods, machines, equipment and furniture for the various purposes like holding public 'auction sales, be it upon the disputant parties desire or an assign by court, arbitration committee or any other administrative body
8230001	Exhibitions Organization and Management	Organizing trade fairs that are held to promote or stimulate trade at the local or international level, and it also includes holding exhibitions to encourage local industrial and agricultural products, and it also includes holding other exhibitions of a

6399001	Press Material Preparation and Distribution	Preparing interviews and journalistic investigations, as well as preparing reports, research, studies and archival materials needed by newspapers and magazines, processing and distributing them to those newspapers and magazines according to their needs and requirements.
7410001	Fashion and Clothes Designing	Design fashion and men's and women's clothing and for children of all kinds, including formal uniforms or uniforms for official authorities or bodies and institutions that need to allocate uniform clothes for some categories of their employees
8211010	Non-specialized Facilities Management	Management of third party establishments for which licenses have been issued by the competent authorities, provided that the facilities are managed for others according to specific criteria agreed upon by the two parties subject to the contract
8211002	Theatres and Cinemas Management	Management of theaters and cinemas and related operations
8230005	Fashion Shows Organization	Preparing and organizing fashion shows and selecting and training exhibitors to present presentations.
8230002	Conferences and Symposiums Organization and Management	Organizing and managing conferences and seminars organized by government agencies or private institutions, including carrying out activities, events and procedures required by holding conferences and seminars, such as receiving participants, organizing their residence, and organizing their residence
8549013	Administrative Business Training	Training on planning, directing and operating administrative activities for various institutions that focus on economic, financial, and administrative management issues including training on managing various operations and institutions such as educational institutions, recruitment
8291003	Importing Services of Taxes Paid Abroad	Follow up on the documents, forms and information necessary to complete the procedures for recovering the tax fees imposed on goods and services purchased from outside the country, such as value added tax or other taxes paid by third parties individuals, companies or businessmen on the basis of their refundability according to certain conditions
8219005	Documents Shredding Services	Destroying documents and documents from papers or other means of preserving data and information that other facilities wish to dispose of

8550002	Administrative Training Services	Training in all areas of administrative work, where these facilities provide and prepare learning halls and link them to the latest educational means and other services related to these institutes
8549020	By-contact Training	Training using live and direct means through the Internet or other modern means of communication, instead of the traditional classroom system.
8610001	General Hospital	Facilities with an independent building to provide health care, such as providing inpatient services of 24 hours or more for patients undergoing treatment for illness, injury or deformities and the hospital provides basic emergency services and intensive care for patients
3250006	Prosthetics & Orthotics Center	Providing artificial alternatives for lost or injured physical limbs or prosthetic or supportive devices to relieve patients' pain and help them move and walk according to the instructions of the treating doctor
8620005	Pediatric Clinic	Medical facilities (clinics) that provide simple medical and therapeutic advisory services and do not provide emergency services. Patients are taken care of by one or more medical practitioners working in the field of children and newborn diseases
8690005	Optics Centre	Eye examination, prescription eyeglasses and contact lens fitting based on an ophthalmologist's report

4652002	Wireless Communication Devices And Equipment Trading	Trade of wireless telecommunication devices

4773912	Retail sale of Alarm and Surveillance Apparatuses and Equipments	Selling of Alarm and Surveillance Apparatuses and Equipments
4652004	Wholesale of Electronic Devices Trading For Specializations	,Trade of sensors, imaging devices electromagnetic devices and groundwater drilling devices that are used in the fields of mineral exploration or devices and that does not include specialized devices that have been classified in their own activity in this Guide
4773905	Retail sale of Public Call Equipment	Selling of specialized retail stores for receivers that are used in the public call system to receive messages and calls addressed to them without the wire
4742004	Retail sale of Electronic Devices Trading For Specializations	,Selling of sensors, imaging devices electromagnetic devices and groundwater drilling equipment that will be used in the fields of mineral exploration or devices
4741010	Retail sale of Wireless Communication Devices	Selling of specialized retail stores of wireless ,communication and communication devices including mobile units from them, as well as fixed equipment as equipment and devices for sending phone messages and organizing communication between mobile units through them. This activity also includes the resale of earth station equipment to receive information or communications or other It is a type of transmission and communication
4741009	Retail sale of Land Phones And Wired Communication Devices	Selling of specialized retail stores for fixed telephone equipment as well as intercom devices and other wired communication devices such as fax, telex, internal switches
4652017	Wholesale of GBC Systems Trading	Trading of specialized and satellite-linked devices that enable their users on land or sea to determine their exact locations, as well as use them as navigational systems in various modes of transportation
4652015	Wholesale of Radar Devices Trading	Trading of Equipment Radar devices and spare parts for the operation of such specialized electronic equipment, including motion detectorsOptical positioning
2610009	Electronic Precision Devices Manufacturing	Electronic Precision Devices Manufacturing
2630099	Other Activities Related to Manufacture of Manufacture of Radio, Television Transmitters and Telecommunication Equipment	Manufacture of communication equipment
2630005	Remote Control Systems Manufacturing	Manufacturing guiding devices for navigating ,flying or moving objects and such as planes boats, vehicles and others by transmitted signals remotely controlled systems
4773924	Retail sale of E-cards and Slices and Outfits	Selling of E-cards and Slices and Outfits in specialized stores

4773966	Retail sales of microelectronic devices	Selling of electronic devices specialized in monitoring and detecting of phenomena that cannot be recognized through ordinary senses, such as devices used to detect sound waves and vibrations and to see micro-objects
6110001	Telecommunications services	Services that transmit voice, image, data and other information by wired means, including telephone, telegram, telex, fax and Internet communications in the form of wireless networks and others
6120003	Cable and Wireless Networks Installation and Maintenance	Wireless telecommunications activities
7730015	Renting Of Measuring and controlling equipment	Lease all measuring and control equipment ,and devices, such as devices measuring area ,distance, temperature, humidity ,meteorology, earthquakes, quantities, scales or devices used in quantities of flowing materials such as water, fluids, electric energy, gases, etc. for individuals or institutions for a temporary period for
7730007	Wireless Communication Devices Renting	Renting wireless communication equipment and devices used in audio or video
8299007	Health Treatment Undertakings Services	with various disease cases as well as for hospitals and institutions whose activity is based on organizing communications with hospitals and specialized and surgical clinics and treatment centers and coordinating with health insurance companies and institutions both inside and outside the country, making reservations and providing those who wish In conducting surgical operations or receiving treatment or conducting examinations or other medical and health services with information, prices, dates for performing surgical operations, medical diagnosis, and others, in addition to performing all necessary administrative procedures for that, collecting amounts and arranging cash flows for
8292003	Repackaging & Refilling Services	Repackaging services for solid or liquid goods and goods in the form of bulk packages manufactured in other places by repackaging and packaging them in consumer or commercial packages in preparation for sale to the final consumer or for processing for

8230009	Organization and event management	event and festival management services including studying the challenges that may beset the event, identifying the target audience, proposing concepts and ideas, planning logistical requirements, coordinating various technical aspects before proceeding with the implementation of the final form of the event. The activity of these establishments is not limited to festivals and mega events, but includes other forms such as corporate activities, marketing programs, parties and award ceremonies, fashion shows, marriage parties and others.
2710007	Motors and Generators Assembling	Assembling all types of devices, generators and transformers, pumps and motors that use ,high energy in pumping water and liquids ,engines and machines for ships, boats vehicles, industrial operating machines and generators that convert electrical energy into mechanical energy to operate machines
4661005	Wholesale of Coal and Firewood Trading - Import & Export	Trading of wood and charcoal and stone coal to use in heating, cooking and in factories.
4630115	Wholesale of Fresh Fish and Marine Animals Trading - Import & Export	Trading of Fish and other fresh marine animals trade
9311006	Sports Services and Contracting	Providing specialized services for various sports clubs and their care, regulating contracts with coaches, undertakings to organize external and internal camps for sports teams, organizing contacts with foreign sports teams, preparing and renting stadiums and other activities directly related to this type of activity, and also includes Providing fitness and bodybuilding trainers for sporting
1079012	Flavors and Fragrances Manufacturing (Food Additions)- Import & Export	Manufacture materials, flavorings, flavorings and fruit extracts that are used in the manufacture of food products, as well as the manufacture of synthetic concentrates and odor enhancers that are used in the manufacture of aromatic substances and
2022007	Ink & Printing Materials Manufacturing	Manufacturing printing inks either being in powder, paste or as liquid, in addition to inject cartridges used in fax machines, photo copiers and computer printers
5224004	Goods Land Shipment Services	Establishments specialized in shipping exported or imported goods include land transport and their task is to receive the goods of others for shipment and to carry out ,related services for storage in warehouses packing or unloading, sorting them and the like in preparation for shipment

4791007	Jewellery, Pearls and Precious Stones E-Trading	selling jewellery, pearls and precious stones, as well as displaying them through the use of electronic means and computer programs, which use the Internet as a means of communication
2432099	Non-Ferrous Metal Casting	Non-Ferrous Metal Casting
4649008	Household Utensils Trading Import & Export	Trade of household utensils include all kinds and their measurements in bulk outside specialized stores for this type. This activity includes trading in tools, glass, plastic and
2710015	Electric Motors & Generators Manufacturing	& Manufacturing of Electric Motors Generators
4669209	Wholesale of Synthetic Cleanser Trading - Import & Export	Trading of industrial detergents, which are used in cleaning machinery, engines equipment and machines inside factories or workshops, or what is used in cleaning engines of air conditioning and central refrigeration, elevators and boilers (boilers)
4669207	Wholesale of Cleaners and Detergents Trading - Import & Export	Trade in detergents, household disinfectants, and other detergents used in cleaning clothes, carpets or floors, removing stains from them, bleaching and washing clothes, deodorants as well as materials used in disinfection
3290023	Beauty & Personal Care Requisites Manufacturing	Manufacturing body care requisites and cleaning such as cotton buds, toothbrushes, and picks, dental floss, combs, hairbrushes, nail and hair cutters and other requisites, apart from pharmaceuticals and cosmetics also, some beautification and personal care
2610009	Printed circuit boards	Manufacture the flat plate that is used to electrically connect electronic components by welding them in conductive passages, which are engraved from copper sheet foils on a non conductive substrate, and
4763003	Sport Equipment & Articles Trading	Trading of fixed sports equipment to carry out various exercises such as sports bicycles, training hall equipment, fixed jogging equipment, tennis tables, etc., as well as tools that are used in the performance of sports games such as nets, spears, pansies, etc., or that are used in training their performance, or in monitoring their results. This activity does
3830106	Recycling of Waste Electrical & Electronic Equipment	Waste collection, treatment and disposal activities; materials recovery
4669226	Laboratory and Factory Chemicals Trading - Import & Export	Trading of solutions and chemical materials that are used for the purposes of conducting experiments and scientific research or conducting analyzes, tests and checks in laboratories and laboratories, and this includes organic and inorganic acids, alkalis, alcohol, salts, samples of elements, compounds, rocks, minerals and other materials. Chemical, whether in its solid or

4662014	Wholesale of empty gas cylinder trading	Trade of empty gas cylinders and gas tank as empty bottles export
7110602	Port Operations Management Consultancy	Prepare designs, drawings and specifications for consultancy in the field of port operations management
6910005	Intellectual Compilations Registration Agents	Preparing documents and completing the administrative and legal requirements required by registering intellectual property works belonging to their owners in government agencies and sectors or outside
6910006	Agents titling	Preparing documents and completing the administrative and legal requirements required by the transfer of ownership of property, except for real estate, from the seller to the buyer according to the laws
6910003	Patent Registration, Fees and Models Agents	Preparing documents for others, completing legal and technical requirements, then carrying out the legal procedures for registering patents and industrial designs and models with the competent authorities for
6910004	Trade Marks Registration Agents	Preparing documents and completing the administrative and legal requirements required by the registration of trademarks in government agencies and sectors or even outside the country in order to preserve the right of their workers to register the trademark as an original right belonging to
7740001	Intellectual Property Rights management	Managing and marketing various practices related to property rights and intellectual works by obtaining authorization from the owner to do so, and then contracts certificates and sales are issued regarding those rights according to the owner's desire and conditions, and this includes evaluation services, pricing and issuance of certificates for that, as well as mediation between the
1622002	Fireproof Doors Manufacturing	Manufacture the wooden fire rated doors
2819904	Fire Fighting Equipment Manufacturing	Manufacturing of equipment and machinery used in vocational safely labor accident preventives natural hazards protective tools also firefighting equipment like electric cables, smoke exhaust fans alarm bells .manual , extinguishers. hoses ,sprinklers ,pumps ,dampers, emergency / exit lights, nozzles, automatic fire detectors, wet foam system
5229004	Customs Clearance Services	Establishments specialized in practicing the preparation of customs declarations, signing them and submitting them to the customs office and completing the customs procedures for clearing the goods for the account of others. It also includes preparing documents and documents issued by the customs authorities and completing the customs

4759008	Retail sale of Unit Air-conditioner	Selling air-conditioners that are installed in the manner of the window, as well as air conditioning units with separate components (split) that are installed as units, whether linked or not linked to a comprehensive central air conditioning system, and also includes air conditioning equipment for the external yards of hotels, resorts, restaurants
8549040	Center for Learning Disabilities	Teaching children with learning difficulties through a program to develop attention and concentration abilities, visual and auditory perception, auditory and visual memory support, learning reading, writing and arithmetic, as well as early detection, diagnosis and cognitive tests in the light of
8549039	Training in the behavioral and social science	Training in various sciences such as humanities, crime, population, economic history, human races, human rights, peace and conflict, political economy, political science, psychology, social geography
4791001	Foodstuff E-Trading	Food trade through the Internet, including coordination with banks and financial institutions to implement electronic payment mechanisms to dispense with paper currencies in payment operations, which may be through credit cards, smart cards, digital money or electronic cash.
6311001	Data Preparation	Processing and entering data into computer systems and programs, and this includes entering regular data and converting them into programs equipped according to the customer's request. It also includes scanning documents and documents and entering them electronically into their own filing systems
2829017	Robots and Simulation Devices Manufacturing	Processing and robotic numbers is a mechanical or virtual synthetic agent, usually an electromechanical machine that is managed by a computer program or electronic circuits. Robots can be autonomous, semi-autonomous, remotely controlled, and of several types of robots including humanoid and synthetic. And the real-life imitation of robots with the external
47720	Retail sale of pharmaceutical and medical goods, cosmetic and toilet articles in specialized stores	Selling of pharmaceutical and medical goods, cosmetic and toilet articles in specialized stores
51200	Freight air transport	Air cargo transport services and rental of air transport equipment with the operator for cargo transport purposes

6209001	IT Infrastructure	Technical services in the fields of using information technology in the completion of administrative and technical work in various institutions and their applications, such as using the Internet, the Internet and data warehouses (DATA WAREHOUSE) and establishing the infrastructure for the
8121004	Cleaning Services cleansing and sterilization	Providing disinfection and sterilization services for the environment and indoor air for facilities such as homes, offices, schools and hospitals, as well as for transportation such as vehicle cabins, ambulances and aircraft
4659944	Wholesale of Central Air Refining Equipment Trading	Trading of ventilation equipment and air purification from impurities, fumes, suspended solids and dust used in factories, workshops and warehouses, as well as central ventilation devices used in buildings with a
8549018	Cultural Handicrafts Training	Providing training on items made by hand originating among the people (community) of UAE, often with the use of simple tools, and is generally artistic and traditional in nature. They are also objects of utility and objects of
8542007	Fine Arts Training	Training in the arts, including drawing, sculpture, calligraphy, music, dance, etc.
8549034	Electrical and Electronic Devices	Training and qualifying technical personnel to perform services or tasks in the field, workshops, installation of devices and equipment, implementation of technical works, technical examination, operation of electronic and electrical devices, as well as
8549030	Environment Protection Training	Training on the role that the relationship between living organisms and the environment can play, which enables the preservation and protection of natural resources such as water, air, wildlife and others, and this includes training on controlling and combating pollution of food, water, air and noise, ecology, disposal from waste, recycling, the role of establishing and
8541004	Equestrian education, horse riding	Teaching equestrian and horse riding, and it can be in different places and provide training facilities to educational units or institutions or by other means. Education that falls within this branch must be formally organized
3830907	Plastic Waste Recycling	Recycling of plastic waste, including the mechanical or chemical conversion processes used: and the sorting of recoverable materials from non-hazardous waste

3830901	Glass Waste Processing	Treatment of glass waste and waste, such as cleaning, crushing or crushing it with certain sizes and packing it in different containers in preparation for recycling or use in the production of other materials or products.
3830199	Recycling waste metal materials	Treating metal wastes and wastes, such as cleaning them, crushing them or crushing them with specific measurements, and packing them in different packages in preparation for recycling or for use in the production of other materials or products.
8690027	Cupping Treatment	Providing cupping therapy services (removing bad blood from the body) through qualified and licensed individuals to provide treatment.
8690013	Medical Herbs	Providing medical treatment using herbs and herbal remedies, including various types of herbs, whether raw or treated with a known source, or semi-treated herbal extracts and formulations.
7730046	Renting robots and smart devices	Rental of robots that apply artificial intelligence to enable them to think intelligently in the similar manner the intelligent humans think, and which can take the place of humans in dangerous environments, manufacturing, also, smart machines applying the same techniques to
7020039	Innovation & Artificial Intelligence Research & Consultancies	Providing studies and consultancies on innovation to technical and administrative personnel in the public and private sector to stimulate extraordinary thinking procedures and innovative solutions to the challenges comforting them, also, providing the same on artificial intelligence which is based on computers that capable of imitating the intelligent human behavior to understand
4630201	Wholesale of Tea Trading	Trade in dried tea, whether loose or after packaging in different packages
7210108	Protection Systems Consulting	Providing administrative advice to public institutions or companies, such as consultations in equipment and devices in public facilities and buildings, used for security purposes and protection from burglary, vandalism, or exposure to various dangers, such as surveillance equipment from cameras, other visual devices, and other
6201008	Oil & natural Gas Fields Production' Software Design Production' Software Design	Designing special software for oil and natural gas wells and fields, which depend on the scientific ability in the oil field along with the scientific ability in the field of computers.
6201006	Design & Production Of Frame Prototypes	Design products and models through the computer and produce a prototype that helps to imagine the final product or the final

6202007	Cyber Risk Management Services	Identify and asses cyber threats which might include users themselves, networks, devices, all software, processes, information in storage, applications, including recommending effective measures to
6201004	Designing the databases	Designing database systems, creating and programming data for institutions In computer systems and programs, this includes the entry of regular data as well as scanning documents and documents and entering them electronically into their filing systems as a complement to the data collection process. The activity does not include archiving
6202009	Network Consultancies	Provide management advice to public institutions related to electronic and informational networks and consultations
6201003	Electronic Equipment and Devices Systems and Software Designing	Design software systems, hardware, electronic devices, and related to computer activities
6312001	Operation of web sites that use a search engine	Run the portal include media sites
7210125	Development and innovation in computer systems and programs	Develop and innovate services in computer systems and programs
4791008	Travel & Leisure Services E- Trading	Travel and leisure services to the general over the internet
8121002	Tanks & Reservoirs Cleaning Services	Cleaning operations that lead to periodic maintenance of tanks of all kinds, as well as tanks, whether for buildings or other uses, including washing tanks and periodic maintenance such as replacing filters and maintaining connections to those tanks
4773620	Simulation Equipment & Systems Trading & Maintenance	Trading of hardware and software that model and simulate the characteristics of the real processes, which will enable carrying out experiments on physical objects rather than on real objects, including flight, ships, trains and trucks simulators that are used for training performance optimization and safety
4721016	Food Supplements Trading import and reexport	Trading of foods and supplements that are classified as a type of food and not as a medicine and whose purpose is to supplement the diet, such as foods intended for certain medical conditions, as well as foods made from natural food free of artificial substances, flavorings or colors that are ,usually added to canned and preserved foods ,including vitamins, salts, refreshing drinks for the purpose of supplementing the diet
5229007	Ship Charter	-Renting and operational leasing of water transport boats and ships for passenger or cargo transport, whether owned by the company or chartered

4773924	E-Electronic Cards Trading	Trading of electronic cards with tasks specialized in electronic games, such as magnetic cards with magnetic stripe used in games and other electronically programmed
4652018	Wholesale of Accessories and supplies trade mobile phones	Trading of accessories and mobile phone supplies. This activity does not include repair or sale of mobile phones
8291006	Payment Services Provider	Providing payment services on behalf of payment industry members such as, telecommunication companies, public departments and others, whether via payment kiosk or mobile phones, the process involves network establishment and technology provision, supply of payment tools
6312004	Portal	Operating websites that act as portals to the internet, via PCs and digital devices, to link buyers and sellers as well as services providers and users together to make deals, it also involves listing sellers' products as well as hotel rates to make consumers shop online and travelers to make hotel reservations, the role of such firms is restricted to brokerage only apart from finalizing the transactions
7020017	Sports Consultancy and Studies	Preparing sports consultations and studies related to investment in the field of sports centers and clubs, and includes study, analysis of operational and administrative processes, and development of plans and programs
4652012	Electronic Chips & Semiconductors trading -Import/Export	Trading include all types of electronic chips and semiconductors such as computer chips, gym and transistors integrated circuits
8299002	Translation Services	Provide interpretation services for all languages, whether it is audio, written or sign language interpretation through a professional interpreter who interprets voice, written or sign language on all direct and indirect communication channels
4630124	Confectionary & Chocolate Trading	Trading of flavored confectionaries such as caramels, toffee, gums, lollipops, boiled
4721039	Nuts Trading	Trading of nuts, such as pistachio, almond, and peanuts, whether raw or after b peeling, processing, roasting, salting, or packing in well- sealed packs for consumption.
4649039	Artificial Flowers and Plants Trading	Trading of flowers and dried plants, in addition to those made from other materials such as textiles, glass, pottery, metals, etc.
4773402	Gifts Trading	Trading of pen sets, lighters, purses, key holders, exquisite gift boxes, golden buttons, make-up sets, tiny antiques and handicraft souvenir and other miscellaneous items used for personal use or presenting as gifts
4773403	Novelties Trading	Trading of antiques such as paintings, old photographs, statues, pots, antiques and other artifacts made of metals such as silver, copper, wood, ivory, crystal, glass, and so on.

5610007	Ice Cream Shop	Prepare and sell ice cream to the public for immediate consumption
4630107	Food & Dairy Consultant	Providing consultancy on food as well as health food to provide a key liaison between marketing and product development to meet the increasing needs to acquire fundamental knowledge and skills in food concepts, involving also, development of new recipes, sourcing raw material and ingredients, design and sourcing of machinery and method of production, also, packaging, cost, quality compliance auditing and project management
4630101	Food & Beverages Trading	Trading of organic and non-organic food and beverages that can be used as food intended for human consumption, including fresh or preserved fruit and vegetables, dairy products and eggs, meat products and poultry, bakery products, sugar confectionery, non-alcoholic
7210129	Development and innovation in electronic trading in electronic products and services	Innovations in electronic commerce with electronic products and services and have an impact on improving and improving trade efficiency
7220004	Consultancy and Studies and Researches in Linguistics	Preparing studies, experimental research and development in linguistics, so that these studies and research lead to the effect of the stock of knowledge and the creation of new methods for their practical applications
7310013	Audio-visual Devices and Network Advertisements	Advertising and promotional services through the use of audio-visual equipment and the Internet such as brochures, catalogs, posters and advertising gifts, as well as the distribution of samples and models of various products the company for the purposes of promotion and advertising
4781013	Retail sale via stalls Of Traditional Products and Commodities	Selling popular goods and products and traditional household items such as mats, rugs, utensils, hand tools, etc. in kiosks
4540101	Motorcycles Trading	Trading of two-wheeled vehicles that run on fuel cars and vehicles that are used for entertainment and related sports or for other

6311006	Data Entering	Provision of data entry services in computer systems and programs, including the entry of regular data, as well as scanning documents and documents and entering them ,electronically into their preservation systems as well as converting data written in a specific language from computer languages to ,another language, to other similar services provided that these services lead from specialized establishments to other establishments for a fee, and this activity does
7020011	Plague Resisting Consultancy	includes offices or facilities specialized in providing technical advice related to ,controlling public health pests such as fungal insect and rodent pests. It also includes technical training for workers on various control techniques. This activity does not have the right to executive work in pest control
7110108	Power Transmission and Distribution Engineering Consultancy	Prepare designs, drawings and specifications for consultancy in the field of energy transmission and distribution. The work of these offices includes design and supervision of implementation
7110305	Food Industries Consultancy	Prepare designs, drawings and specifications for consultancy in the field of food industries
2399007	Polyurethane Ornamental Moldings	Manufacture of polyurethane molds
4771108	Protective Garments & Vests Trading - Import& Export	Trading of protective costumes and vests for ,different uses, like fire resistant wears athletes and medical wears, also, body cooling vests, which can be wore under and above
7110922	Agricultural Research & Consultancy	,Providing consultations, conducting studies research, and economic feasibility studies ,related to agriculture, land reclamation irrigation, establishing agricultural projects and related matters, as well as consulting for livestock, animals and poultry
4630104	Natural (organic) Food Manufacturing	Manufacturing natural organic food from vegetables, fruits and cereals, produced free from chemical fertilizers, pesticides and ,pollutants, no additives, artificial flavors colors or preservatives are added at the
4659108	Wholesale of Electricity Transformers and Outfit Trading	Trading of all types of electrical transformers
4653009	Green Houses & Equipment Trading	Trading of greenhouses, whether made of glass or plastic, which work to protect the germination environment inside them in terms of temperature, humidity and ventilation, the activity includes carrying out installation, repair and maintenance services
7710009	Refrigerator Trucks Rental	Renting, without drivers, refrigerated trucks ,to transport perishable freight, such as fruits vegetables, meats, fish, drugs, medical materials or anv materials entail such kind of

4773926	Vending Machines Trading	Trading of vending machines located in public places for selling beverages and snacks, newspapers and publications, DVD's, cigarettes, photo booths, as well as paying public services charges such as Etisalat bills
4663032	Special Fabrics & Fibers For Construction Trading	Trading of fabrics and fibers made of natural, artificial or synthetic or metal materials and used for specialized construction processes such as molding and concrete forms made by cement injection or coating and covering of installations or tilting used in buildings and other construction works
4761002	Retail sale of Education Media and Models	Selling the devices used by a teacher to clarify a subject, including drawings, Shapes, maps, samples, puzzles, mathematics and alphabets resources, etc
4669222	Oilfield Chemicals Trading	Trading chemicals for various oilfield applications like production, well stimulation, drilling and injection
4630132	Dried Vegetables & Fruit Trading	Trading of vegetables and fruit dried through sun, or through dryers or dehydrators, such as figs, pineapple, peaches, apricots
8550003	Auditing, Reviewing & Testing Cyber Risks	Auditing, Reviewing & Testing Cyber Risks
6202002	Computer Systems Consultancies	Providing comprehensive professional consultancies to IT organizations to help them match their needs with the networking solutions, it involves securing, analyzing and designing network solutions that maintain the security and integrity of their IT assets
6201001	Cyber Security Consulting	Provide consultations and studies on providing the minimum basic requirements for cybersecurity based on best practices and standards to reduce cyber risks on the information and technical assets of the entities from internal and external threats. The protection of the region's information and technical assets requires a focus on the
6202003	Software installation	Computer systems analysis services and software design to the facilities involved in education and training process, it involves analyzing the user's needs and problems and offering consultancy on the best economical solution and the programs necessary for realizing such a solution, also, the software
2620009	Computer installation	Providing, collecting, and recycling computer parts for installation. These computers operate and activate them

6311001	Data classification and analysis services	Data auditing, analysis and classification services based on common characteristics among them, with the aim of reshaping and storing them or deriving information on the basis of which decisions can be made that lead to improving the return on investment and the optimal use of available resources, as well as supporting the capabilities to solve ,problems and face future challenges including the use of various technologies to
7110207	Consulting Engineering for Green Buildings	Preparation of designs, drawings and specifications for the construction of green buildings, which are buildings whose construction depends on environmentally friendly standards, and includes carrying out all engineering works that enable the optimal use of resources and the exploitation of alternative resources to reduce the consumption of electric power, water and resources other, which will have positive .effects on the environment and public health
7110407	Power Preservation Consultancy	Prepare designs, drawings and specifications for consultancy in the field of energy
4100010	Green Buildings Construction materials Trading	Trading of environment friendly building materials and supplies for constructing green buildings. Green buildings are designed to reduce carbon dioxide emission and ,eventually reduce global warming, including wall materials, insulators, doors and window insulation, central heating and cooling systems, solar and renewable energy sources
3811003	Waste collection	Waste collection services and management of harmless waste
4659915	Cooling and Heating Equipment and Machinery Trading - Import & Export	,Trading of equipment for use in buildings factories, and hotels For the purpose of cooling or heating, such as central refrigerators, boilers, and others
4773965	Retail sale of Cutters (sheet metal) Fire	Selling all types of metal cutters (metal panels of all kinds - aluminum iron - or any other metals) fire-resistant and installed on the facades of external or internal buildings
4663044	Wholesale of Trade Cutters (sheet metal) Fire Resistance	cutters
7110101	General Facilities and Services Engineering Consultancy	Preparation of designs, drawings and specifications for public utilities and engineering services
7120003	Foodstuff Testing Lab	Examining food samples and conducting laboratory analyzes for them

7120010	Examination of the devices and electronic equipment	,Technical examination of electronic devices ,identification of their malfunctions maintenance and selection of the number of equipment needed to perform the various works in the electrical workshops in order to verify their durability and compliance with specifications and standards and prepare technical reports or certificates for that
7110113	Medical Services and Laboratories Engineering Consultancy	Prepare designs, drawings and specifications services for consultancy in the field of medical services and laboratories. The work of these offices includes design and supervision of implementation
7110403	Alternative Power and Researches Consultancy	Prepare designs, drawings and specifications for consultancy in the field of alternative energy and research
1061003	Production of dry food from cereals	Preparing grains and cereals and manufacturing them for the production of dry food materials, such as the production of ,mash beans, groats, semolina, corn flakes quaker, and others, and packing them in appropriate containers and according to the
7110924	Electronic hardware engineering services	Providing consulting and engineering services in the field of equipment based on electron passing technology in gases, vacuums or semiconductors, which are used in various fields such as data processing, communications, signal transmission and reception, tests and research, medicine,
7020024	Heritage Consulting	Providing ideas and advice on the heritage of the Emirates to the parties that hold events related to that heritage, providing suggestions about the heritage paragraphs included in the various celebrations, assisting companies on how to design and build camps to reflect the geographical environment of the Emirates, as well as suggesting appropriate heritage events for that, providing advice to advertising companies about advertisements which are interspersed with heritage images, and it also includes assisting these bodies in finding
7990004	Tourism and Leisure Consulting	Preparing studies and consultations related to the leisure tourism sector, which deal with ,strategies, planning and development marketing and technical and economic feasibility studies, exploring opportunities that can be provided by new tourism facilities
4791005	Vehicles and transport means E-Trading	Trading of Vehicles & Transportation
4773924	Sport & Recreational Events Tickets E-Trading	Selling tickets for entertainment events and sports competitions to the public, using many applications that depend on the Internet

4791004	Household, Professional & Personal Goods E-Trading	Trading of household, professional and personal goods to the general public or to other businesses over the internet
4791003	Publications and media Materials E-Trading	Trading publications and media materials for ordinary consumers or other companies using many Internet-based applications, including coordination with banks and financial institutions to implement electronic payment mechanisms to dispense with paper currencies in payment operations, which may be through credit cards, smart cards, digital money or electronic cash
7990004	Tourist Attractions Smart Cards Services	Issuing and operating prepaid tourist smart cards services which allow the holder a cash-free access to tourist facilities and ,attractions purchased and loaded in the card such as hotels furnished apartments
4791002	Garments, Textiles & Gifts E-Trading	Trading clothing, textiles and gifts for ordinary consumers or other companies using many ,applications that depend on the Internet including coordination with banks and financial institutions to apply electronic payment mechanisms to dispense with paper currencies in payment operations, which may be through credit cards, smart cards, digital money or electronic cash
4649064	Wholesale of veterinary medicines	Trading of veterinary medicines
7730002	Motorcycles Rental	Renting motorbikes, fitted with two wheels or more, motorized, and intended for recreation and other uses, in paved and off
9411001	Work Relations Development Council	Work Relations Development Council
143002	Milk-producing She-Camels Raising, Raw Milk and Products thereof Production	Raise camels (female camels), whether to benefit from them for commercial purposes by breeding and selling them, or to benefit from their products for industrial or
729001	Non-ferrous Metal Ores Mining	Mining and preparation sector of ores whose value is mainly estimated for containing non-ferrous metals such as (aluminum) bauxite, copper, lead, zinc, tin, manganese, chromium, nickel, cobalt, and also includes precious metals: gold, silver, Platinum This does not include the production of aluminum oxide and alloys of nickel or copper
910008	Oil and Gas Production Facilities Operation and Maintenance Services	Petroleum Operating services and maintenance services to the oil and gas facilities and other necessary operations of the oil and gas-making facilities

910009	Technical maintenance of factories and oil installations	Maintenance services for petroleum equipment, factories and facilities, including the replacement of spare parts to extend the life of those machines in factories or petroleum facilities
910017	Oil and Natural Gas Pipe Lines Installation and Maintenance	Services of installation, maintenance and repair of oil and natural gas pipelines using various techniques and protecting them from corrosion or interaction with surrounding natural materials or to extend the life of their use, maintenance or re-installation of damaged pipes
0990001	Services Exploration (exploration) for oil and natural gas	Preparation of hydrographic surveys: geophysical, geological and seismic.
1071006	Frozen Pastries Manufacturing	Manufacture of frozen pastries, including food pasta, glash, kunafa, katayef, samosa pastry, pastry rolls, crisp pastry chips, baklava dough slices.
1071008	Snack Products Manufacturing	Manufacture of snack products such as cookies, crackers, pretzels etc.
1073902	Manufacture of Tahineya Sweets	Manufacture of Sesame Halva which is made of sesame seeds under different stages and the seeds are roasted, ground then filled for final consumption .
1079019	food Gelatin Manufacturing	Manufacture gelatin and its derivatives as a gelling agent in food production, in products such as Jell-O and gummy candy.
1820004	Copying of Computer Software	Copy computer programs on tapes and CDs from their original sources, and produce copies in duplicate quantities in limited quantities and by providing this service
2011001	Ammonia and Caustic Soda Manufacturing	Producing ammonia from combining hydrogen, which is produced from hydrocarbons, with nitrogen gas, which is found into the air, in order to use in manufacturing fertilizers and fodder, refrigeration and mining, also producing sodium hydroxide or caustic soda by the electrolysis of salt brine, in order to use in the manufacture of fertilizers and paper, etc.
2013001	Crudes Plastics in Primary Forms Manufacturing	Manufacture plastic materials such as high-density polyethylene, low density or other similar products that are derived from their primary components and are in the form of compounds, granules or powders that can be formed by molding or extrusion
2219005	Synthetic Sponge Manufacturing	Manufacture industrial sponges from its raw materials of various chemicals and the production of sponges in the form of pieces, cubes or slices suitable for use in other industrial processes such as the manufacture of mattresses, furniture, packaging

2029008	Manufacture of dyestuffs and pigments	Manufacturing printing inks either being in powder, paste or as liquid, in addition to inject cartridges used in fax machines, photo copiers and computer printers.
2029013	Manufacture of photographic plates, films	Manufacture of photographs and films
2029021	Essential Oils Manufacturing (Essence)	Manufacture of concentrated essential oils containing volatile compounds known as volatile oils, ethereal oils, extracted from plants by distillation. Often by steam, other processes involving the expression or
2023008	Aromatic Distilled Waters Manufacturing	Manufacture of Aromatic distilled water
2029024	Matches Manufacturing	Manufacturing of matchsticks of various kinds
2220001	Disposable Plastic Cutlery Manufacturing	Manufacture of knives, spoons, forks, plates, cups, and other products used for food or tables, such as plastic table mats.
2220008	Plastic Bags Manufacturing	Manufacture of types of plastic bags such as packing bags that are used in shops, as well as garbage collection bags and bags for packing various products
2220015	Plastic Chips Manufacturing	Manufacture foils (films) of plastic and nylon for wrapping or packaging purposes, as well as the manufacture of chips used in the manufacture of agricultural and plastic houses.
2220024	Plastic Buckets and Containers Manufacturing	Manufacture of buckets (buckets), trays and other pots and containers made of plastic, which are used for various purposes (other than household utensils) such as pots, pots and containers used in the cultivation and propagation of plants, utensils used in laboratories and workshops and for the purposes of preserving or transporting water.
2220048	Glass Fibre-fortified Tube Outfits Manufacturing	Manufacture of Glass Fiber-fortified Tube Outfits.
2219008	Sponge Products Manufacturing	Manufacture some sponge products from natural or industrial sponges, such as bathroom sponge pieces, cleaning sponges, washing household utensils, or sponges that go into packaging or in the manufacture of clothing or other manufactures that sponges enter into their manufacture or installation.
2310012	Toughened or Laminated Flat Glass Manufacturing	Manufacture of types of tempered glass. Under this activity, safety glass is produced and safety glass
2395007	Gypsum Manufacturing	Gypsum Manufacturing
2630003	Transmitting and Receiving Antennas Manufacturing	Manufacturing the electric devices which convert electric power into radio waves to use in radio and television broadcasting, telecommunication receivers, wireless
2651019	Radar Equipment Manufacturing	Manufacturing, producing, assembling or equipping all types of military radar equipment or any of its parts, spare parts or technologies by various methods and means.

2651021	Manufacture of measurement and control equipment	Manufacture of equipment and devices used in the measurement, whether to measure areas or quantities such as accurate scales or to measure distances and height or to monitor the dimensions and variables of the environment and geography, and includes the devices used to control the quantities of flowing materials such as water, Electric, gas and other speeds or in regulating movement
2817001	Calculators Manufacturing	Manufacture of calculators of all kinds.
2930901	Air Filters Manufacturing	Manufacture of air filters that are used in factories, workshops and general stores to get rid of impurities such as fumes, dust, gases and volatile solids, which are suspended in the air and provide clean air, as well as devices and equipment used to filter and purify water from impurities, salts, chemicals or others, whether they are That water is
2819102	Water Filters Manufacturing	Manufacture of water filters that are used in factories, workshops and public stores to get rid of impurities such as fumes, dust, gases and volatile solids, which are suspended in the air and provide pure water, in addition to devices and equipment used to filter and purify water from impurities, salts, chemicals or others, whether Was that water used for
3030004	Dirigibles and Hot Air Balloons Manufacturing	Manufacture of dirigibles and hot air balloons
3211008	Working Of Diamonds	Working Of Diamonds
3313003	Repair and maintenance of electromedical equipment	Repair and maintenance operations of medical devices and equipment such as pressure devices, glucose meters and electronic audiometry devices, by using various techniques and protecting them from corrosion or interaction with surrounding
3315003	Wood Boat Repairing	Repair or maintenance of all types of boats and boats of various manufacture, including the repair and maintenance of boats for all types of boats made of fiberglass, boats and boats made of wood and this includes the
3320004	Medical and Laboratories Equipments and Apparatuses Installation, Maintenance and Repairing	Repairing and maintaining instruments and equipment used in hospitals, clinics and laboratories for diagnosis, treatment, surgical operations, medicine and blood preservation, X-raying, sterilization, waste disposal, physical
3822001	Treatment Of Medical Waste	Treatment of medical waste of all kinds.

4322005	Air-Condition, Ventilations, Air Filtration Systems Installation & Maintenance	Contracting for the installation and maintenance of air conditioning, ventilation, and air conditioning systems
4510103	Specialized Vehicles Trading- Import & Export	Selling specialized motor vehicles as ambulances, fire engines, garbage collectors, street sweepers, truck- mounted cranes for loading and discharging and truck mixers it also includes food trucks motor home
4510104	Electrical Carriages Trading for Specialized Purposes	Trading of Electric mini cars designed to serve in golf clubs, football stadiums, horse racetracks as well as passengers and visitors shuttles in airports and malls.
4510111	Trading in new Semi-Trailers	Trading of new trailers for personal usage like the ones used for bicycles, horses, boats, mobile houses and other personal use trailers.
4649050	Wholesale of Ignition Materials Trading	Trading in materials and tools used in igniting stoves, ovens and heating machines, including matches of various kinds, oven lighters and cooking appliances that operate on fuels other than electric power as well as non-
4649053	Cloth Hangers Trading - Import & Export	Trading of wire, wooden or plastic hangers which are designed to facilitate the hanging of coats, jackets and other
4649055	Wholesale of Photocopiers and Outfit Trading	Trading of photographic equipment, photocopiers, light meters, optical microscopes, binoculars, telescopes, optical magnifiers, film cameras, digital cameras, motion picture projectors, slides etc
4659956	Wholesale of Marine Equipment and Machinery Spare Parts Trading	Marine Equipment and Machinery Spare Parts Trading
4669201	Wholesale of Medications Trading	Trading of all kinds of medicinal drugs or used in scientific research
4669915	Wholesale of Plastic Products Trading	Trading of various plastic products
4669230	Water Treatment & Purification Chemicals Trading - Import & Export	Trading of chemicals which purify water by assisting in the removal of the organic and inorganic particles suspended in water, it involves coagulants such as aluminum sulfate and iron chloride
4690014	Wholesale Mobile Phones Numbers Trading	Trading of the distinguished numbers of the mobile phones
4722001	Retail sale of Soft Beverages	Selling of sweetened, flavored and synthetic beverages, as well as carbonated water prepared from the dissolution of carbon gas in mineral water.
4752036	Retail sale of Agricultural Equipments	Selling of agricultural, horticultural and nursery tools and equipment such as soil conditioners Tree pruning, plant planting, palm pollination, irrigation hoses and pots, pots, transport carts, fruit-collecting baskets, and others. Livestock and animal breeding

4752051	Retail Sale Of insulation material	Selling of insulating materials and their accessories that are used in insulation from moisture, water leakage, and heat, whether natural such as the heat of the sun or generated by an industrial source, as well as insulating materials from sound, noise, vibration, radiation effects, electric and magnetic fields, and others. It also includes reselling materials Which are used to protect metals from rust or corrosion, or to protect wood from corrosion and moisture, or to protect against thermal impact..etc. These
4752052	Retail sale of Water Filters	Selling water filters that are used in factories, workshops and general stores to get rid of impurities such as fumes, dust, gases and volatile solids that suspend water, as well as devices and equipment used to filter water and purify it from impurities, salts, chemicals or others, whether those Water is used for industrial purposes, domestic purposes, or
4759015	Retail sale of Selling video games devices	Selling video game consoles such as PlayStation or any other devices used to play children's games
4771906	Retail sale of Leather Products and Handbag	Selling handbags, whether made of leather, textile materials, fabrics, plastic or others, and also includes the resale of leather products such as money wallets, belts, leather hats and office tools
4772011	Retai sale of People of Determination Equipment	Selling of all tools and supplies used by people of determination or people with emergency or permanent disabilities, as well as for the elderly, which are used as prosthetic or assistive devices or organs in order to complete treatment requirements or permanent use in place of the lost or incapacitated member, and this includes wheelchairs and walkers Special beds, heart
4772008	Retail Sale Of Cosmetics	Selling cosmetic products and supplies such as nail polish of various kinds - creams of various kinds - makeup of various kinds - hair removal materials of various kinds - oils of various kinds - wigs - eyelashes - hairspray (spray - gel)
4772015	Retail sale of Medical Equipment and Apparatuses	Selling machinery, devices and equipment used in hospitals and clinics for the purposes of diagnosing and treating diseases and performing surgeries, as well as preserving medicines, blood, radiology, sterilization, disposal of waste and harmful substances, physiotherapy and rehabilitation equipment, and others, as well as tools and hand tools used in medical examination, surgery,

4773105	Retail sale of Specialized Photography Equipment Tools and Outfits	Selling films (strips), chips, plates, discs and other materials used in specialized imaging equipment such as medical imaging radiology and imaging for aerial surveying purposes, as well as acidification supplies such as chemicals and sensitive papers for printing images to the consumer directly, and this branch is not entitled to import from abroad
4773513	Retail sales of mechanical equipment	Sale of electrical equipment
4773602	Industrial Plant Equipment & Spare Parts Trading - Import and Export	Selling of equipment and machinery installed in industrial plants or used in industrial production, such as, oil refineries, petrochemicals, food and plastic industries ...etc., such firms are allowed to carry out the installation, repair and maintenance services
4773621	Retail sale of Hydropanels	Sale of water plates that extract and extract water from the surrounding moist air molecules.
4773903	Retail sale of Coal and Firewood	Selling of wood and charcoal and stone coal to use in heating, cooking and in factories.
4773925	Retail sale of Cosmetics equipment and tools	Selling of equipment, machinery, salon furniture and tools that are used in beauty centers or by individuals for example (salons furniture - autoclaves steam devices and accessory - hair removal devise and accessory - trim, installation and paint nail tools (Pedicure & manicures) – hair cutting tools- hair & makeup brushes - hair driers and what
4774003	Retail sale of Used Electrical and Electronic Apparatuses and Tools	Selling of Used Electrical and Electronic Apparatuses and Tools
4791013	Electronic trading products and services online	Trading consumer products through websites
4799001	Retail sale of Commodities Via Vending Equipment.	Resale in commercial establishments that sell food, beverages and packaged by machines and equipment vending machines that those facilities developed within the public roads or vital installations
5022001	Internal Water Transportation of Goods	Inland water transport services for goods from one place to another by sea by ships and ships
5221007	Transport and Withdrawal Prix boats, boats and jet skis	Land transport services and towing all boats, boats and jet skis
5229012	Aviation Consultancy	Aviation feasibility studies and consultancies as regarding airplanes buying and selling, fleet planning and aircraft selection, safety audits, crew selection and appointment, maintenance follow-up, aircraft registration, ownership transfer, lease delivery and return

5229015	Aviation Trading Brokerage	Brokerage services related to the aviation industry, such as contacting airlines on behalf of individuals and companies to arrange passenger and cargo transport, as well as brokerage in the sale and purchase of aircraft, etc.
